Hello,
Thank you, I'd be delighted to come on Nov. 28 and I have it on my calendar. I usually talk for about 40-50 minutes and I like to use a PowerPoint and digital projector to show Polly's images. I sometimes use video clips with sound, too, though that just presents an opportunity for technical malfunctions. Is the length of my talk OK with you? Do I need to send you any biographical or other type of information?

Thanks so much for thinking of me. I look forward to meeting your group.

Evelyn

I spoke with you earlier about doing a program for AAUW (American Association of University Women) this year. We have had our program planning committee meeting and if convenient we would like for you to present your program on *A Texas Journey: The Centennial Photographs of Polly Smith*, Monday, November 28, 2011, 7:00 pm at The Waterford in Pantego, which is on W. Park Row.

If this date is convenient we can go over details for your power point presentation and selling your book.
