

The square brackets following an exam question number refer to a section/problem number in the text. Problem numbers preceded by the symbol ~ are modeled on that problem from the text, but not identical to it. Problem numbers without the symbol are identical to or very close to the problem from the text. Other indicators are self-explanatory.

Test Version Letter would go here.

Your ID number would go here. Truncate the leading "1".

So, an ID # of 1000986231 would be entered: 000986231

This would be filled in as we did for Midterm 1. Test No: would be "2A" for version A of midterm 2.
