

Curriculum Vitae

Name: Maxine Adegbola, PhD, MSN, RN, CNE, ANEF

Teaching Proficiency: adult education, nursing science, certified nurse educator, nurse researcher/scientist, public speaker

Research Interests: Global Health, Chronic Pain, Sickle Cell Disease, Genomics and Health Disparities

Email: maxineade@gmail.com

LinkedIn: www.linkedin.com/in/maxineadegbola

Telephone: 214 876 9767

Licenses/Certifications

Type	Agency	Expiration Date
Registered Nurse	State of Texas	July 2014
Registered Nurse	State of New York	Present
ACLS	American Heart Association	2016
BCLS	American Heart Association	2016
CNE (Certified Nurse Educator)	National League for Nursing	Dec. 2015
Academy of Nursing Education Fellowship	National League for Nursing	Inducted Sept. 2012
Certified Critical Care RN		1997
Certified Nursing Admin		1993

Education

Year Awarded	Degree	Institution, city, state	Major
8/2010-7/2012	-	University of Iowa College of Nursing Postdoctoral Fellowship "Pain and Associated Symptoms: Nurse Research Training" (T32 NR11147)	Pain and Associated symptoms- Postdoctoral Fellowship
7/24-29/2011	-	National Human Genome Research Institute, Workshop in Genomics	Genomics
12/ 2009	-	University of Cincinnati-Web-Based Genetics Institute,	Genetics, 195.9 credits
7/2009	-	University of Cincinnati-Web-Based Genetics Institute, Genetics Education Program for Nurses, Cincinnati, Ohio	Genetics, 21.5 credits
Summer 2008, 2009	-	Summer Institute Program to Increase Diversity (SIPID) in Health-Related research-Functional	Functional Genomics-Post-Doc

Year Awarded	Degree	Institution, city, state	Major
2007	PhD	Genomics of Blood Disorders. Sponsored by NHLBI at University of Dallas, Texas	
2006, summer		UT Arlington, Arlington, TX	Nursing
1985	MSN	Georgetown University, Washington, D.C.	Molecular Genetics, 12 credits
1983	BSN	Hunter College, City University of New York	Nursing
1977	Diploma	Hunter College, City University of New York	Nursing
		University Hospital of the West Indies, School of Nursing	Nursing

Employment/Professional Experience: (reverse chronological order), *inclusive of summaries*

Dates	Title	Institution	City, State
8/08 – Present	Assistant Professor	UT Arlington	Arlington, TX
<ul style="list-style-type: none"> • Assistant Professor [summary of role] <ul style="list-style-type: none"> ○ As a nurse scientist-researcher, I design, conduct and translate into practice research studies that seek to improve quality of life for individuals and populations. ○ Conduct clinical, bio-behavioral and community-based research as Principal Investigator ○ Skillfully network and collaborate with other disciplines to enhance improved healthcare outcomes. ○ As nurse scientist-researcher, I coordinated research activities for an internet education cardiovascular study at area hospital. ○ Teach clinical courses for Leadership & Management and Transition into Professional Nursing [capstone] courses for accelerated [on-line/off-campus] BSN, and generic on-campus BSN students. ○ Supervise capstone projects and service learning projects ○ Mentor, informally counsel and provide academic advice for BSN, Master's and PhD. Nursing students in the College of Nursing. ○ Educate and mentor students and individuals who choose nursing science as a career. ○ Mentor junior faculty colleagues 			
8/2010-7/31/2012	Postdoctoral Research Fellow	University of Iowa , College of Nursing- NINR T32, NR11147	Iowa City, Iowa

Dates	Title	Institution	City, State
<ul style="list-style-type: none"> The Pain and Associated Symptoms T32 Post-doctoral Research Fellowship provided post-doctoral research training to prepare nurse scientist to develop and extend knowledge and skills to impact quality of life and to : <ul style="list-style-type: none"> describe and predict models for identifying underlying mechanisms and individual responses to pain and associated symptoms and their impact develop intervention research focused on pain and associated symptoms for individuals, family and caregivers translate knowledge related to management of pain and associated symptoms to practice 			
12/2010-5/15/2013	Nurse Researcher/ study coordinator	Baylor Research Institute	Dallas, TX
<ul style="list-style-type: none"> Nurse Researcher and study co-coordinator [per diem] {summary of role} <ul style="list-style-type: none"> Coordinated clinical research study with internet-based educational intervention post coronary intervention (PCI) Mentored nurses to initiate, monitor and conclude research studies Participated in business of nurse-led research council Collaborated with multi-disciplinary members of healthcare team 			
8/90 – 8/08	Nursing Instructor	El Centro College	Dallas, TX
<ul style="list-style-type: none"> Sophomore nursing Instructor in an on-campus Associate Degree of Nursing Program <ul style="list-style-type: none"> Responsible for coordination, supervision, planning and execution of the Medical-Surgical sophomore level didactic and clinical courses, academic advising and counseling Taught didactic and clinical Medical-surgical and Leadership nursing at the sophomore level, and developed clinical affiliations with area institutions. Initiated tutorials for educational development of students, with specific focus on ‘at risk’ learners. Participated in the Associate Degree Nursing Partnership [mentorship] program, and mentored sophomore students. Met regularly with students at risk for academic failure, to foster educational development Mentored and guided team faculty and junior colleagues Assisted with SACS and NLNAC accreditation preparation Didactic class size 45 to 50 			

Dates	Title	Institution	City, State
99 – 05	Chairperson Readmission Committee	El Centro College	Dallas, TX
<ul style="list-style-type: none"> • Chairperson Readmission Committee <ul style="list-style-type: none"> ○ Responsible for coordinating activities pertaining to students’ application for readmission to the nursing program ○ Encouraged and fostered creativity among team members to assist at risk students and others seeking readmission. ○ Collaborated with other campus departments such as learning services and special services to enable appropriately designed modules and accommodations for students. ○ Notified students of pending outcomes of applications ○ Tracked students’ progress through nursing program ○ Maintained data files and progress of applicants seeking readmission to the Associate degree program 			
98 – 05	Level Team Coordinator	El Centro College	Dallas, TX
<ul style="list-style-type: none"> • Sophomore nursing team leader and coordinator in an on-campus Associate Degree of Nursing Program <ul style="list-style-type: none"> ○ Sophomore level team leader and coordinator ○ Participated in leadership activities and coordinator expectations for department ○ Conducted monthly staff meetings with team members to plan project and maintain efficient team and departmental functioning ○ Responsible for coordination, supervision, planning and execution of sophomore level didactic and clinical courses, academic advising and counseling ○ Taught didactic and clinical Medical-surgical and Leadership nursing at the sophomore level, and developed clinical affiliations with area institutions. ○ Initiated tutorials for educational development of students with specific focus on ‘at risk’ learners. ○ Participated in the Associate Degree Nursing Partnership [mentorship] program, and mentored sophomore students. ○ Organized and planned community service experiences, for example blood drive through Carter Blood Care. ○ Met regularly with students at risk for academic failure, to foster educational development ○ Mentored and guided team faculty and junior colleagues ○ Assisted with SACS and NLNAC accreditation preparation ○ Didactic class size 45-50 			

Dates	Title	Institution	City, State
96 – 03	Management Instructor	El Centro College	Dallas, TX

- **Management Instructor**
 - Taught Management course to graduating seniors, in addition to medical-surgical clinical and didactic.
 - Class size ranged from 30 to 40.
 - As a part of the management course, initiated *Each one help one*, where sophomore Nursing students adopted a freshman nursing student and tutored that student individually or tutored groups in the skills lab

Per Diem RN Positions in Critical Care and Home Care			
02 – 1/2012	Per diem RN in critical care	All About Staffing	Irving, TX

- **Role function for all per diem RN positions in critical care**
 - Coordinate nursing care for critically ill adults in Intensive Care Units, on a per-diem basis
 - Care for critically ill patients with life threatening illnesses including myocardial infarction, trauma, drug overdose and cardiac/respiratory arrest
 - Skilled in multi-tasking: able to manage and prioritize needs of critically ill patients, maintain safe delivery of superior patient care
 - Educate patients and families on broad range of relevant healthcare topics
 - Contributed to JACHO accreditation

92 – 02	Per diem RN in critical care	American Nursing Services	Metairie, LA
95 – 97	Per diem Home Care Nurse	Infusion Services of North TX	Dallas, TX

- **Role function for per diem Home Infusion and Home care RN care**
 - Coordinated medical care for home bound patients
 - Conducted Medicare and private home infusion visits
 - Coordinated medical care for home bound patients
 - Assisted in re-certification process for home care patients
 - Supervised home health aides

92 – 95	Per diem RN in critical care	Medical City Hospital	Dallas, TX
90 – 97	Per diem RN in critical care	Specialty Care Inc	Arlington, TX
91	Per diem Home Care Nurse [RN]	Kimberly Quality Care	Dallas, TX

Dates	Title	Institution	City, State
88 – 90	Divisional Asst Director of Nsg	Long Island College Hospital	Brooklyn, NY
<ul style="list-style-type: none"> • Divisional Assistant Director of Nursing, in hospital acute care clinical services <ul style="list-style-type: none"> ○ Responsible for overall management, supervision and evaluation of nursing services in the critical care division [ICU, CCU, Respiratory Care Unit]. ○ Ensured compliance to standards required by regulatory agencies. ○ Interviewed, employed, developed and terminated personnel thus ensured maintenance of qualified practitioners. ○ Managed a divisional budget of \$4.3 million. ○ Reviewed and analyzed trends related to the delivery of nursing care services and initiated appropriate innovations. ○ Directed hospital JCAHO accreditation, involved in hospital-wide committee work and collaboration. 			
89 – 90	Adjunct Lecturer	New York City Technical College	Brooklyn, NY
<ul style="list-style-type: none"> • Adjunct Lecturer in pre-licensure nursing program <ul style="list-style-type: none"> ○ Lectured on basic nursing principles ○ Supervised students in skills lab setting ○ Supervised and evaluated students in the clinical setting ○ Collaborated with unit staff on students' execution of clinical skills 			
87 – 88	Asst Director of Nsg	Long Island College Hospital	Brooklyn, NY
<ul style="list-style-type: none"> • Assistant Director of Nursing Nursing Supervisor in acute care full service hospital <ul style="list-style-type: none"> ○ Responsible for operational management on the evening shifts ○ Ensured implementation and adherence to the philosophy, goals and objectives of the Division of Nursing. ○ Scheduled, coordinated and deployed work teams on the shift to ensure adequate hospital-wide staffing. ○ Fostered problem solving and trouble-shooting of clinical and management situations. ○ Provided hospital- wide administrative leadership. 			
84 – 87	Admin Nsg Supervisor	Coney Island Hospital	Brooklyn, NY
<ul style="list-style-type: none"> • Administrative Nursing Supervisor in acute care full service hospital <ul style="list-style-type: none"> ○ Responsible for and provided operational management on the evening and night shifts. ○ Ensured implementation and adherence to the philosophy, goals and objectives of the Division of Nursing. ○ Scheduled, coordinated and deployed work teams on the shift to ensure adequate

hospital-wide staffing.

- Fostered problem solving and trouble-shooting of clinical and management situations.
- Provided hospital- wide administrative leadership.

83 – 84	RN- full time in critical care, CCU	Coney Island Hospital	Brooklyn, NY
82 – 83	RN-full time in critical care	Cabrini Medical Center	New York, NY
79 – 81	RN- full time in critical care- neuro and surgical ICU	Kings County Hospital	Brooklyn, NY
77 – 79	RN- full time in medical- surgical units	Black River Hospital	Jamaica, West Indies

Scholarships/Honors and Awards:

2003- 2005	Texas Higher Education Coordinating Board Fellowship for doctoral study scholarship recipient
2003-spring, 2007	Hermann Fellowship, University of Texas at Arlington Graduate School
2004-fall, 2007	Nurse Faculty loan program recipient
2005-fall 2006	Professional Nurse Traineeship grant recipient, University of Texas at Arlington
2006, spring	International Education Fee Scholarship, study abroad, University of Texas at Arlington
2006, spring	University Scholar award for academic excellence, University of Texas at Arlington
2006, spring	National Coalition of Ethnic Minority Nurse Associations (NCEMA) mentee award
2006, fall	Urban League Guild of Texas, “21 st Century Most Promising Leader in HealthCare”, Dallas, Texas
2007, September	Ferne Kyba Endowed Fellowship to support dissertation research, University of Texas at Arlington
Jan. 2008-Dec. 2012	Commission on Graduates of Foreign Nursing Schools (CGFNS) International examination committee, appointment
July 2008 & 2009	Summer Institute Program to Increase Diversity (SIPID) in Health-Related research- Functional Genomics of Blood Disorders, sponsored by National Heart Lung and Blood Institute (NHLBI), Dallas, Texas
Dec., 2009-present	Member of Board of Sickle Cell Disease Association of Tarrant County, Texas
July 2010	Fellow of National Black Nurses Association Founders Leadership Institute: Preparing the Future
February, 2012	Association of Black Nursing Faculty Nurse In Washington Internship
September, 2012	National League for Nursing Academy of Nursing Education Fellowship [induction]
October 2012	2012-2013 Service Learning Faculty Fellow Faculty, The University of Texas at Arlington, Center for Community Service Learning
June 2013	The Lifetime Achievement in Education and Research Award, ABNF

July 2013 [Association of Black Nursing Faculty]
Nurse Researcher of the Year award, The National Black Nurses Association [NBNA].

Funded Research

- 9/07 "Relationships of Spirituality, Self-efficacy, and Quality of Life among Adults with Sickle Cell Disease". Ferne Kyba Endowed Fellowship, \$1,000.00. **PI**
- 6/09 "Lived Experience of Chronic Pain in Adults with Sickle Cell Disease". Sigma Theta Tau International, Delta Theta Chapter, \$ 1,000. **PI**.
- 4/10 "Polymorphism in GTP Cyclohydrolase (GCH1) Gene Associated with Sickle Cell Disease Pain Ratings" (pilot study), **PI**, UT Arlington Research Enhancement Program (REP) Grant, **\$9,429**, June 1, 2010, extended to April 30, 2013. Completed data collection. In data analysis phase.
- 2010-2012 National Institute of Nursing Research Postdoctoral Fellowship award "Pain and Associated Symptoms: Nurse Research Training (T32 NRI1147), **\$91,188.00** [44,304.00 year 1+46,884.00 year 2]
- 2012-2014 Gallo, A. (MPI), Wilkie, D.J. (MPI, contact), Molokie, R., Yao, Y.W., Hershberger, P., Stahl, C., & Thompson, A. Sickle Cell Reproductive CHOICES: Efficacy of a Primary Prevention Intervention. National Institutes of Health, National Heart Lung & Blood Institute, 1R01HL114404-01, **\$1,719,516**. Role :**consultant**
- 2012 (July) Prodromal symptoms. Association of Black Nursing Faculty. **\$1,000.00**. Role: **PI**, in progress.
