

College of Nursing and Health Innovations

Syllabus

N5382-400 AP Summer 2015 Nursing and Health Care Policy: Issues and Analysis

Course Start/End: May 18, 2015 to June 21, 2015

Instructor

Joy Don Baker, PhD, RN-BC, CNOR, CNE, NEA-BC

Clinical Associate Professor

Office #: Pickard Hall, 520B

Campus Mailbox: 19407

Office Phone: 817-272-2776

Office Fax: 817-272-5006

Cell Phone: 817-980-5354

Office Hours: Please contact Dr. Baker via email to set up an appointment for either a *Virtual* or Face-to-Face meeting.

Email: jdbaker@uta.edu *UTA Email availability:* I generally respond to email at least once in a 24-hour period Monday-Friday. While I may respond more frequently, please do not view anything other than this timeframe as the expectation.

Faculty profile: <https://www.uta.edu/profiles/joy-baker>

Course Description

Analyze historical, current, and predicted national, state, and local health care policy processes.

Student Learning Outcomes

1. Articulate current initiatives in health care policy.
2. Influence health care policy at the national, state, and local level.
3. Implement emerging roles for nursing in health care policy.
4. Analyze the influence of economic issues related to health care policy.

Course Prerequisites & Requirements

The student must:

- Complete the N5327 Analysis of Theories in Nursing Course.
- Have basic *Microsoft Office* software skills such as *Word*, *Excel*, and *PowerPoint*, video recording for posting to *YouTube* as well as computer, email, and Internet skills.
- *Mozilla Firefox* is the browser recommended for use with *Blackboard* however, others may work such as *Google Chrome*. *Internet Explorer* has been known to be less consistent and therefore, may wish to avoid the use of it. If a problem arises, try switching browser systems to test the issue before contacting the helpdesk or faculty.
- **Note:** *Papers are graded using the Track Changes and Comments features in Microsoft Word.*

Students must have access to appropriate computer equipment and software. The computer and programs should be *Windows* based (XP or more current version is expected). Students are expected to access the Internet and a broadband/DSL speed is recommended, dial up Internet will create problems for access by the student. Students have access to 24 hour/7 days per week computer labs on campus.

In addition, a two-wire headset and microphone may be used during this course. (Check with faculty prior to purchasing). USB headsets are not as effective with *Blackboard Collaborate*. Wireless connections are not well supported by *Blackboard Collaborate* and it is therefore recommended a connection via a PC hard line system instead of wireless for the *Blackboard Collaborate* sessions be made. Students will be posting a video and using *YouTube* to post a URL link to their video for grading purposes.

Textbooks, Reading Materials, and Resources

Mason, D.J.; Leavitt, J.K.; & Chafee, M. (Eds.). (2012). *Policy and politics in nursing and health care* (6th ed.). St. Louis, MO: W.B. Saunders Elsevier

Texas Board of Nursing (2011). *Nurse practice act*. <http://www.bon.texas.gov/nursinglaw/> (If you reside/work outside Texas then please access your state's nurse practice act)

References for writing papers:

American Psychological Association. (2010) *Publication manual of the American Psychological Association* (6th ed.). Washington, DC: Author. ISBN: 9781433805615.

See also the required **UTACON Nursing Administration title page** under Resources section of Bb.

Suggested Reading:

- Articles from current nursing, health care, business and other relevant journals.
- Additional Reading material in Bb

Course Topics:

- Health Care Policy Analysis
- Historical Evolution of Health Care Policy and & Current Status
- Economics in Health Care/Supply & Demand/ Delivery Systems
- Legislative Process & Decision Making
- Governmental Agencies for Health Care
- Technical, Legal & Ethical Dimensions of Health Care Policy
- Networking for Health Care Policy
- Consumerism in Health Care Policy
- Future – Health Care Policy Issues

Teaching Methods/Strategies

Learning modules, experiential learning activities, multiple online discussions, student presentations with video development, and individualized instructor/student conferences are available/used within this course. Course content materials and intra-course communications are managed through Blackboard, UTA Mav email, and Blackboard Collaborate systems.

Descriptions of Major Assignments: (See *Blackboard* for more detailed information. All Assignments are due by 23:59 on the identified due date unless specified differently in the syllabus schedule or in *Blackboard*).

Graded Course Components		Percentage of Final
PARTICIPATION		
	Discussions: (Average) Child Obesity Nursing Political Action Professional Networking	10%
	Miscellaneous Assignments & Quizzes: (Average) Learning Plan, Quizzes, Plagiarism Attestation, Student Information Form, & Computer Validation Form	5%
LEGACY CAFÉ Activity/Class Project:		10%
BRIEF & VIDEO:		20%
1-Page BRIEF (9.5) 3-Minute Presentation VIDEO (9.5); - Planning Discussions & Peer Critique (1)		
LEGISLATION TRACKING		25%
- Paper (20); - Preparation Assignments (4); - Planning Discussions (1)		
INTERVIEW with an individual who influences health care policy		30%
- Paper (25); - Preparation Assignments (4); - Planning Discussions (1)		
TOTAL		100%

Grading Policy

Students are expected to keep track of their performance throughout the course and seek guidance from available sources (including the coach and instructor) if performance drops below satisfactory levels.

A = 92-100 B = 83-91 C = 74-82
D=68-73 (cannot progress) F=<68 (cannot progress)

Grades are extended to two decimals without rounding for the final grade. For example, a final course score of 91.99 is a B in the course.

Discussions, Assignments, Activities, and Projects are the major part of the course work and should receive appropriate attention. All material submitted for grading must meet the standards of graduate level work (content and format). All assignments are to be submitted electronically via Blackboard unless otherwise specified by the instructor. **UTACON Nursing Administration Title page** is required for each assignment unless otherwise specified.

For any reason, course work requiring resubmission will be dropped up to one letter grade at the discretion of the faculty and only a maximum of a B or 90% percent can be achieved on any work resubmitted.

Turn in only one copy of your work; all assignments are the property of the University. Students should make a copy of their work prior to submission. Assignments and Activities detail are located in Blackboard.

Grades of incomplete are NOT automatically given when there are missing assignments at the end of the course. A student must discuss, with the faculty of record for the course, the reasons that an incomplete grade is being requested. This discussion must occur as soon as the student recognizes that a problem exists. Faculty members are not obligated to grant the use of an incomplete grade. With no prior discussion of the need for an incomplete, students not completing the required activities will

receive the grade for the course based on the percentage of the required material submitted.

Attendance Policy:

- **Regular class attendance and participation** is expected by all students whether class is held on campus or online in synchronous or asynchronous methods.
- **Students are responsible** for all missed course information.
- No makeup opportunity for missed class sessions is provided.

Time Management

Time management in this course is critical.

There is a **10-point deduction** for assignments turned in after the due date/time **up to 5-hours late**. If an assignment is **late, 5-hours or more, a grade of zero (0)** will be given for that activity. Extensions of time are granted at the discretion of the instructor and must be negotiated in **advance** of the due date/time.

Drop Policy:

Graduate students who wish to change a schedule by either dropping or adding a course must first consult with their Graduate Advisor. Regulations pertaining to adding or dropping courses are described below. Adds and drops may be made through late registration either on the Web at MyMav or in person through the student's academic department. Drops can continue through a point time two-thirds of the way through the term or session. It is the student's responsibility to officially withdraw if they do not plan to attend after registering. **Students will not be automatically dropped for non-attendance**. Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. Contact the Office of Financial Aid and Scholarships at <http://www.uta.edu/fao/> Office for more information. The last day to drop a course is listed in the Academic Calendar available at <http://www.uta.edu/uta/acadcal.php?session=20146>.

1. A student may not add a course after the end of late registration.
2. A student dropping a graduate course after the Census Date but on or before the end of the 10th week of class may with the agreement of the instructor, receive a grade of W but only if passing the course with a C or better average. A grade of W will not be given if the student does not have at least a C average. In such instances, the student will receive a grade of F if he or she withdraws from the class. Students dropping a course must:
 1. Contact course faculty to obtain permission to drop the course with a grade of "W"
 2. Contact your graduate advisor to obtain the form and further instructions.

Last Date to Drop or Withdraw: June 8, 2015

Americans with Disabilities Act:

The University of Texas at Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including the *Americans with Disabilities Act (ADA)*. All instructors at UT Arlington are required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of that disability. Any student requiring an accommodation for this course must provide the instructor with official documentation in the form of a letter certified by the staff in the Office for Students with Disabilities, University Hall 102. Only those students who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at www.uta.edu/disability or by calling the Office for Students with Disabilities at (817) 272-3364.

Title IX

The University of Texas at Arlington is committed to upholding U.S. Federal Law "Title IX" such that no member of the UT Arlington community shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity. For

more information, visit www.uta.edu/titleIX.

Academic Integrity Policy

All students enrolled in this course are expected to adhere to the UT Arlington Honor Code:

I pledge, on my honor, to uphold UT Arlington's tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

UT Arlington faculty members may employ the Honor Code as they see fit in their courses, including (but not limited to) having students acknowledge the honor code as part of an examination or requiring students to incorporate the honor code into any work submitted.

Per UT System Regents' Rule 50101, §2.2, suspected violations of university's standards for academic integrity (including the Honor Code) will be referred to the Office of Student Conduct. Violators will be disciplined in accordance with the University policy, which may result in the student's suspension or expulsion from the University.

"Scholastic dishonesty includes but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts."

As a licensed registered nurse, graduate students are expected to demonstrate professional conduct as set forth in the Texas Board of Nursing rule **§215.8. in the event that a graduate student holding an RN license is found to have engaged in academic dishonesty, the college may report the nurse to the Texas BON using rule §215.8 as a guide.**

Plagiarism

Copying another student's paper or any portion of it is plagiarism. Copying a portion of published material (e.g., books or journals) without adequately documenting the source is plagiarism. Consistent with APA format, if **five or more words in sequence are taken from a source, those words must be placed in quotes and the source referenced with author's name, date of publication, and page number of publication.** If the author's ideas are rephrased, by transposing words or expressing the same idea using different words, the idea must be attributed to the author by proper referencing giving the author's name and date of publication. If a single author's ideas are discussed in more than one paragraph, the author must be referenced, according to APA format. Authors whose words or ideas have been used in the preparation of a paper must be listed in the references cited at the end of the paper. Students are expected to review the plagiarism module from the UT Arlington Central Library via <http://library.uta.edu/plagiarism/index.html>

Assignment and course grade penalties can and do with issues of plagiarism. **Plagiarism in this course is taken very seriously. Any breach of plagiarism in course assignments will result in counseling with the student by the Faculty/Coaches and possible reduction in the assignment and/or course grade to zero. This type of breach also may be reported to the UTA Office of Student Conduct by the faculty. This can affect a student's progression and enrollment at UTA.**

Student Support Services Available:

UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at www.uta.edu/resources.

Electronic Communication Policy

UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. **All students are assigned a MavMail account and are responsible for checking the inbox regularly.** There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at <http://www.uta.edu/oit/cs/email/mavmail.php>. If you are unable to resolve your issue contact the Helpdesk at helpdesk@uta.edu.

Student Feedback Survey

At the end of each course, students enrolled in classes categorized as lecture, seminar, or laboratory shall be directed to complete a Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the course. Each student's feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington's effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit <http://www.uta.edu/sfs>.

Emergency Exit Procedures

Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities. While this specific course is not held on campus please seek assistance from the nearest faculty if you find you are on campus and an emergency occurs.

College of Nursing and Health Innovation - Additional Information

Status of RN Licensure

All graduate nursing students must have an unencumbered license as designated by the Board of Nursing (BON) to participate in graduate clinical nursing courses. It is also imperative that any student whose license becomes encumbered by the BON must immediately notify the associate dean for the MSN Program, Dr. Jennifer Gray. Failure to do so will result in dismissal from the Graduate Program. The complete policy about encumbered licenses is available in the Graduate Student handbook online at: <http://www.uta.edu/nursing/handbook/toc.php>.

MSN Graduate Student Dress Code

The University of Texas at Arlington College of Nursing and Health Innovation expects students to reflect professionalism and maintain high standards of appearance and grooming in the clinical setting. **Clinical faculty has final judgment on the appropriateness of student attire and corrective action for dress code infractions. Students not complying with this policy will not be allowed to participate in clinical.** Please View the College of Nursing and Health Innovation Student Dress Code on the nursing website: <http://www.uta.edu/nursing/msn/msn-students>.

Blood and Body Fluids Exposure

A Health Verification form was signed by all MSN students at start of the program documenting personal health insurance coverage. All MSN students have mandatory health insurance and will need to manage exposure to blood and fluids. Current CDC guidelines can be found at: <http://www.cdc.gov/>

Confidentiality Agreement

You signed a Confidentiality Form in orientation and were provided a copy of the form. Please take your copy of this Confidentiality Form with you to your clinical sites. **Please do not sign** other agency confidentiality forms. Contact your faculty if the agency requires you to sign their confidentiality form.

Graduate Student Handbook

Students are responsible for knowing and complying with all policies and information contained in the Graduate Student handbook online at: <http://www.uta.edu/nursing/msn/msn-students>

Student Code of Ethics

The University of Texas at Arlington College of Nursing and Health Innovation supports the Student Code of Ethics Policy. Students are responsible for knowing and complying with the Code. The Code can be found in the student handbook online: <http://www.uta.edu/nursing/msn/msn-students>

No Gift Policy

In accordance with Regent Rules and Regulations and the UTA Standards of Conduct, the College of Nursing and Health Innovation has a “no gift” policy. A donation to one of the UTA College of Nursing and Health Innovation Scholarship Funds, found at the following link: is <http://www.uta.edu/nursing/student-resources/scholarship> would be an appropriate way to recognize a faculty member’s contribution to your learning. For information regarding Scholarship Funds, please contact the Dean’s office.

Online Conduct

The discussion board should be viewed as a public and professional forum for course-related discussions. Students are free to discuss academic matters and consult one another regarding academic resources. The tone of postings should be professional in nature. It is not appropriate to post statements of a personal or political nature, or statements criticizing classmates or faculty. Inappropriate statements/language will be deleted by the course faculty and may result in denied access to the Discussion boards. Refer to UTACON Student Handbook for more information.

For this course Blackboard communication tools, discussion boards, and UTA MAV email will be used extensively and should be checked often.

Writing Center

The Writing Center provides the workshops below to help guide graduate students through the demands of writing at the graduate level. In order to sign up for workshops, students must register with the Writing Center at <http://uta.mywconline.com/> . Workshops are listed on the regular appointment schedule. If you experience any difficulty signing up for any of these, please call (817) 272-2601 and one of our staff will be happy to assist.

All Workshops hosted by the Writing Center are held in 411 Central Library and are offered at 6 p.m. on Mondays, Tuesdays, Wednesdays or Thursdays. These are not recorded and are not available online.

Course Evaluation

Course evaluation is a continuous process and is the responsibility of both the faculty and the students. Ongoing feedback (formative evaluation) is the only way to improve the course and to assure that it meets your needs and those of the discipline of nursing. It is your responsibility to give immediate, constructive feedback regarding class structure and process. Formal evaluation of the course and the instructor occurs at the end of the course. You will receive instructions at your University of Texas at Arlington e-mail address about how to complete the course evaluations online. Your ratings and comments are sent to a computer not connected to the College of Nursing, and faculty members do not receive the results until after they have turned in course grades.

Writing Guidelines

The *APA Publication Manual* is the guide used in the College of Nursing. It is expected that all writing will be completed using the style and format described in the *APA Publication Manual*.

- **The Basics of APA Style** at <http://www.apastyle.org/learn/tutorials/basics-tutorial.aspx>
- **Harvard Graduate School of Education** at <http://gseacademic.harvard.edu/~instruct/articulate/APA/player.html>
- **The Ohio State University: How do I cite resources** at <http://library.osu.edu/sites/guides/apagd.php>

- **Purdue Online Writing Lab** at <http://owl.english.purdue.edu/owl/resource/560/01/>
- See also the required **UTACON Nursing Administration title page** in the folder labeled *Resources/Course Materials/Documents/APA Format Information and Samples*.

Students in the MSN program are expected to purchase a copy of the most recent Publication Manual of the American Psychological Association. APA style manual will be used by the UTACON with some specific requirements for graduate courses. Please use this template for all papers in this course. A *Microsoft Word* version of this template is also located in Blackboard for your convenience.

<http://www.uta.edu/nursing/msn/apafomat>

Save copies of all of your work! Create a folder on your computer that is specifically for this course. As you create a new document for each assignment, save it in your course folder, and then submit it by the due date.

General Guidelines for All Written Work

These guidelines have been developed to help students know the mechanics of writing a paper. The *APA Publication Manual* is to be used in conjunction with the guidelines to demonstrate referencing style, levels of headings, and proper ways of including direct quotations in the paper. The *APA Publication Manual* also gives additional information about grammar and punctuation, use of numbers and abbreviations, and development of tables or figures, which should be helpful in developing any paper.

1. Each paper should have a formal title page (see Nursing Administration Template in Blackboard Course Resources). It is recommended that the template within this course be downloaded and saved then used as the bases for writing the papers.
2. Pagination: Page numbering starts with the title page and continues through to the reference list and appendices. Arabic (1, 2 etc.) numbers are used.
3. Margins are to be 1 inch on all sides. Text should be left justified only. This means that the right margin may appear irregular. If a word is too long to be completed on one line, it should not be hyphenated. Headers begin at 0.5 inch from the top allowing the Running head: ALL CAPS to be placed on the first line of the Title page. See the template for more details.
4. Type size and font: Type should be Times New Roman font and 12 characters per inch (12 point).
5. Spacing: Double spacing is used for the body of the paper. Single spacing may be used in tables and figures only. **DO NOT** leave any blank lines between paragraphs or sections. No triple spacing. **DO NOT** single space in between references on the Reference page. **DO** double-space the entire list of references.
6. Headers: Running headers are expected in APA 6th Ed.
7. Headings within the paper are essential. First, develop an outline of your paper and count the number of levels you plan to incorporate. The title of the paper is not a heading so it is not considered in the number of levels required. Grading Criteria Sheets are helpful in determining appropriate headings for specific assignments. See the *APA Publication Manual* for further guidance.
8. Please remember the title of the paper should also appear on the first page of the text and should be the same as that on the title page. The title is not a heading and **is not counted** in the levels of headings.
9. An introduction without heading (simply start the introduction under the title of the first page of the text) and conclusion/summary with heading is expected for all papers in this course. There should not be a heading over the introduction however there should be one used for the Conclusion section of the paper.
10. Quotations: In general, avoid the use of direct quotes. Re-state the point in your own words and include the appropriate citation. For ways to properly cite quotations of greater than 40 words, see the *APA Publications Manual*. However, keep in mind lengthy quotes are not what these papers are about, it should be your voice and opinions that are well supported by the literature that you have sought out and properly cited.
11. Reference list: See the *APA Publications Manual*. The reference list includes only the references cited within the text of the paper. Double space the references do not use single spacing. Do not add additional line spacing between references.

Note: Be sure the paper you submit for grading is complete, since that is the paper that will be graded.

Graded Assignments

Discussions: Discussion among classmates is a major component of this course. Throughout the course, you will be asked to make **initial posts** and **respond frequently** to peers with **thoughtful, substantive, and scholarly responses** each week. **Support your opinions** with the literature. Your responses should consist of complete sentences and meet the requirements listed in each of the discussion assignment instructions. (See Discussion Grading Rubric in *Blackboard*). Discussion boards are labeled with **CLASS** where summaries for the entire class to view from the small **GROUP** boards'.

Learning Plan: Once completed the Learning Plan serves as a guide you will initiate to accomplish each step in the process for this course. Determining the deadlines for each reading, planning, arranging steps needed are a critical part of this course and the tool is designed to help with this process.

Quizzes: There are multiple Quizzes to assist you with identifying critical elements in the content. They are used to support your knowledge development and offer opportunity to return to the Readings to access additional information to assist your personal learning plan and development with the Health Care Policy content.

Legacy Café Activity: This activity will utilize a Bb discussion format for an activity planning process. The Class will collectively plan, implement, and evaluate the outcomes of your Class initiative to make a difference in advancing the collective decision of a Nursing's Health Care Policy Agenda forward and externally from this course. This **is not** a theoretical exercise it is an actual completed initiative the class conducts and implements including evaluation of outcomes in measurable terms during the semester/session. This process is similar to the process used to advance a bill forward in the legislative process, with the original decision of topic, plan of action, and ultimately reporting of the final outcomes accomplished.

This is based on the *World Café* concept and there are specific Readings to assist you in the process throughout the course. Discussion boards for this activity are labeled with either **Class: Gallery Walk** for a summary postings and discussion among the entire class for decision-making or **Group: Home**, which is your small group led by one member of your Home Group serving as **Host**.

One-Page Brief, Three-Minute Video demonstration Interview, & Peer Critique: This is a means to be both creative and focused regarding your own Health Care Policy Agenda. You will create a Brief, that is one-page, front sided only document that addresses your concern and clearly demonstrates what action you are requesting or information you are wanting to leave with an individual(s) who can help advance your Health Care Policy Agenda. The Video is another supporting means to prepare and practice your skills by role playing interviewing a person that can influence Health Care Policy important to you. The video **is not** the actual interview it is a graded practice session to seek feedback from peers and faculty. You will have to identify a person to perform the role of the interviewee in your video and often this is another classmate, work peer, or family member who you script their content for the video. We must see you and prefer to see the interviewee as well in the video.

Health Care Legislation Tracking (Paper): With this assignment, you will track from start to conclusion one recent legislative bill. Not all bills will make it into law; however, this paper is designed to assist you with the understanding of the process of advancing a piece of legislation. There are a series of preparation assignments and discussion boards that are associated with this Assignment.

Interview with an individual who influences health care policy (Paper): You will select an Interviewee such as your State or Federal legislative representative (or their legislative assistant), City council member, National Nursing Organization governance policy chair, etc. to contact and conduct an Interview from questions you prepare. This **should not** be someone you work with or is in your own facility(s).

Course Schedule and Due Days/Time

DISCUSSIONS & ACTIVITIES

*Make **initial** post by **Tuesday** and **respond frequently** to peers with **thoughtful, substantive, and scholarly** responses **well supported with the literature** throughout each week.*

***** Indicates a variation in the scheduling or posting days

As the instructor for this course, I reserve the right to adjust this schedule in any way that serves the educational needs of the students enrolled in this course. Joy Don Baker.

Component	Due Date/Time
Week 1 - Health Care Policy Past and Present Week begins: Monday May 18 Week ends: Sunday May 24	Complete by:
Readings & Videos/WebCasts	
Getting Started: Review all materials, Introduction Video, Syllabus, and Important Course documents.	23:59 Sunday
Complete the assigned Readings & Review Guiding Questions	23:59 Sunday
View the Instructor's HCP Webcasts: Parts I-III	23:59 Sunday
View Future of Nursing: Parts 1-4 (A. Green)	23:59 Sunday
View Health Care Reform Videos: Parts 1-4 (A. Green)	23:59 Sunday
Assignments & Quizzes	
Submit the Student Information Form	23:59 Wednesday *****
Submit the completed Computer Validation Form	23:59 Wednesday *****
Develop a personal Learning Plan	23:59 Saturday *****
Complete the Syllabus Quiz must achieve a score of 100% for credit.	23:59 Sunday
Complete the APA Quiz	23:59 Sunday
Complete the Plagiarism Attestation Assignment	23:59 Sunday

Nursing & Health Care Policy Issues & Analysis

Computer Competency Validation

Directions

This is a self-paced learning exercise that will guide you through the steps of the computer skills validation. Think of it as a web-based scavenger hunt or refresher if you have used the features before. Just follow the instructions and read the information on *Blackboard*. If you have any questions, please contact me. This particular Assignment can be downloaded, saved, completed, and uploaded to the associated drop box. *Blackboard* should be accessible to you about one week prior to the first week of school. Students who work through this process prior to the first day of class generally are better prepared for the class session after exploring *Blackboard*. Have fun with the process!

UTA Help Desk Phone: 817-272-2208

If you cannot get into *Blackboard*: you can email helpdesk@uta.edu, include your NTID, nature of the problem and a telephone number.

Access to *Blackboard* is available generally about 1-week prior to the start of class and 24 hours after your individual registration for this course.

Steps:

1. Accessing the Internet:

- Log on to any **UTA campus computer**: (if working from home go to the next bullet)
 - i. Using your Student UTA exchange ID or username (also called NT ID). This is the first, middle and last initial and the last four numbers of your SS# **fmlssss** all in lower case. If you do not have a middle name, you will place an "x" between your first and last initial.
 - ii. Type in your password when asked (you may change this later): this is your birthday and first two digits of your SS# all in lower case. **mmddyys**
 - iii. Open the Mozilla Firefox (while Internet Explorer can be used Firefox generally is more compatible with Blackboard) browser, type <http://elearn.uta.edu> in the address bar and select "go." This will take you to the UTA *Blackboard* server home page.
- **From home** (or non-campus location).
Open the Firefox browser, type <http://elearn.uta.edu> in the address bar and select "go." This will take you to the UTA *Blackboard* server home page. Note: If you access the Internet routinely through a server as AOL it is recommended that AOL be minimized and open Firefox to work with *Blackboard*.

2. **Accessing *Blackboard* (Bb)**: Enter your User Name. The User Name is the same as the Campus User ID (formerly called NT ID) that you used to login to the UTA campus computer in Step 1 above or **fmlssss**. Next, enter your password. Your *Blackboard* default password will be exactly the same as your default Campus password or **mmddyys**.

Alert: if you forget your password, Faculty, cannot help you. You must physically go to the UTA Library with your ID to show you are who you say you are, to get your password reset.

Please test that you can log in on campus both to the computer and to Blackboard prior to the first day of class.

3. Down the left side is the list of *Blackboard* courses you are enrolled for this semester. The N5382 Health Policy course name shows up as a link that will take you to the Course Home Page.

Click on “**N5382 Health Care Policy**” the designated course link for this course and complete the validation process.

4. Review the *Blackboard Notes* page for the course. This page offers a basic overview of the *Blackboard* Course Tools.
5. Locate the Syllabus & Schedule link and verify the schedule for assignments this semester. When are the various assignments and quizzes due?
6. Complete Getting Started module. Complete the Student Data Form and post in the *Blackboard* Assignment location under the Module.
 - Download the form to a Disk, Flash Drive, or the Desktop
 - Complete the Form and save to a new filename with your last name first in the filename. (Make sure you delete before leaving if working from a public computer if saved to the Desktop).
 - Post the Completed Form in the designated Assignment location following the upload procedures in *Blackboard*.
 - You will have small group Discussion Boards for this course. They will generally be identified as Group 1, Group 2, etc.
7. Browse through the various links in the left margin to locate the following, please note not all are used in all courses):
 - Announcements
 - Getting Started: Syllabus, Schedule
 - Graded Activities List of Assignments
 - GRADES. (Some grades may be maintained outside the system, once graded they will be uploaded to the GRADES in *Blackboard*).
 - Communication Tools
 - i. Discussion Tips/Hints & Grading Rubric
 - ii. Class Discussions (asynchronous discussions) & Groups, which are small group discussion board locations.
 - iii. Email: you may send emails to any one registered in the course from this location and it will be sent to the UTA Mav email account and you have the option of sending yourself a copy of the message you have sent. No sent nor replies are maintained in the Blackboard environment for email.
 - WEEKS: The schedule provides the sequence for completion of each week's activities, discussions and assignments.
 - Live Session Information
 - Resources
 - i. APA 6th
 - ii. Library, Writing, Search, Copyright, etc.
8. Once you have familiarized yourself with the navigation of the *Blackboard* course materials go to the **Café Hauz** discussion board located under the heading “Getting Started” and read the introductory message. When you are ready, click on the Café Hauz discussion board and post a message in response to my opening message. Remember to post your message

as a reply so that it will remain “threaded” in the discussion under the **Welcome** subject. Explore all of the discussion tools features such as *Search, Discover Content, Collapse All, Expand All, etc.* these allow you to manage your discussion board and locate items more quickly.

NOTE: Do not create a New Forum as that creates a New Discussion Board, however, **Do open the designated discussion board** and **you may create a New Thread** if it is **appropriate** for the various content being discussed.

Within the Discussion Forum you may type your message in the message box and you may also attached documents for others to view. Test the attachment process in the Café Hauz discussion board by uploading

- a. A Word document of your choice that might be of interest to the class and
 - b. Upload your own photo (.jpg) so all in the class may connect with you on a visual bases.
9. Go to the email section of *Blackboard* and click on your inbox. Next,
 - Click on the button that says compose mail message.
 - Click the “Select Users”
 - Click one student from the course and send them an email. Then click on the right arrow to add them to the selected box.
 - Enter a subject in the subject line and compose a brief message then
 - Click Submit
10. Go to UTA Mav email and check to see if you have any mail from your classmates in the course.
 - Read it if you do.
 - Reply to their message.
 - Go to the start button on the bottom left hand corner of the computer screen and click on *MS Word* (or new office document). Create a sample document using *MS Word* on your computer. Save this document on your floppy disk, so you will be able to find it in the next step.
11. Go to the Getting Started Assignment folder and complete the “Online Test your Skills Assignment by the designated due date/time posting all to the correct locations.
12. Log off the computer and you are finished. Congratulations!

N5382 Health Policy

Computer Competency Validation

Student Name:

Competency	Date
Log onto Blackboard (http://elearn.uta.edu)	
Locate assignments: Record Interview Paper due date/time (???)	
Navigate through course architecture to complete scavenger hunt: • Announcements • Getting Started: Syllabus, Schedule ◦ Discussion Grading Rubric ◦ Grades Worksheet • Communication Tools: ◦ Professor Forum ◦ Class Discussions: Summary Boards ◦ Small Group boards ◦ UTA eMail • WEEKS: Including (Not all will be open at the beginning of the semester). ◦ Objectives and To Do Lists ◦ Readings & Resources ◦ Discussions ◦ Assignments ◦ Quizzes • Live Sessions: provides links to the <i>Blackboard Collaborate</i> sessions if used in the course • Resources ◦ APA 6th includes the required title page template ◦ UTA Library, Nursing Subject Guide, Helen Hough Librarian ◦ Google ◦ Track Changes and Comments	
View & Read Orientation Discussion Hints	
Participate in an online discussion – Café Hauz & post self-photo and Word attachment
