COURSE INFORMATION

Description

Student Success is a learning community course that will teach new students academic success skills to aid their transition to college. The goal of the course is to help students identify their individual needs, determine what resources are appropriate, recognize the faculty role in their development, and formulate a plan for an actively engaged and enriched experience from campus to career. The course will be taught by Peer Academic Leaders (PALS) and faculty, staff and/or graduate students to provide guidance, raise awareness and understanding of students' majors and help support collaborative and co-curricular opportunities available within the School/College.

Student Learning Outcomes

- Recognize and utilize the various academic and personal student resources available at UTA, including those related to financial literacy and wellness.
- Apply various learning and study strategies to their college classes.
- Recognize the unique characteristics of their major, including relevant co- and extra-curricular opportunities, and understand the significance of that discipline in today's world.
- Identify the role of faculty as experts in providing guidance in academic planning, experiential learning and career goals related to the student's major.
- Describe career types in different (insert) professions that they might enter after completing their degree in (insert) at UTA.
- Develop a sense of self-awareness through teamwork and collaborative efforts.

Required Texts

- No Limits text is freely available on Blackboard.

COURSE REQUIREMENTS

Attendance Policy

You are required to attend all class meetings. **Missing more than one (1) class without consulting with your Peer Academic Leader will result in a 10% reduction of the final letter grade per additional absence.** Entering late or leaving early (Up to 5 minutes) three times equals one full absence. Arriving late or leaving early by anything greater than 10 minutes will result in a full absence.

Reasons for excused absences include medical emergencies or illness. In such situations, students are expected to contact the Peer Academic Leader in advance or as soon as possible after the absence. Proof of the illness or emergency will be required along with evidence that the event correlates with the time of the missed class. Examples of documentation would include items such as a doctor's note, picture of the flat tire, etc. Attending one Success Series workshop can be used up to two times to make up absences. Students must stay for entire duration of workshop, and present proof of attendance to Peer Academic Leader.

At The University of Texas at Arlington, taking attendance is not required but attendance is a critical indicator in student success. Each faculty member is free to develop his or her own methods of evaluating students' academic performance, which includes establishing course-specific policies on attendance. UTA does not require instructors to take attendance in their courses, the U.S. Department of Education requires that the University have a mechanism in place to mark when Federal Student Aid recipients "begin attendance in a course." UTA instructors will report when students begin attendance in a course as part of the final grading process. Specifically, when assigning a student a grade of F, faculty report the last date a student attended their class based on evidence such as a test, participation in a class project or presentation, or an engagement online via Blackboard. This date is reported to the Department of Education for federal financial aid recipients.

Major assignments and examinations

Maverick Advantage Writing Assignment

After discussion on class related to the five distinguishing activities, students will submit a writing assignment about the activities. Specific assignment details can be found in Blackboard.

Campus Event Attendance

Students must select one university sponsored campus event to attend during the course of the semester. Students have flexibility in selecting the events (Athletic event, social event, academic event, fine arts performance, diversity/multicultural program, traditional event, service, etc.) For the assignment, students must take a photo at the event to show evidence attendance and write a summary of their experience. Specific assignment details can be found in Blackboard.

Grading

The Student Success course is a one-credit hour course and is graded on a letter grading basis. Students are required to attend all class meetings in order to successfully meet both attendance and participation requirements. **Missing more than one (1) class without consulting with your Peer Academic Leader will result in a 10% reduction of the final letter grade per additional absence.** Students with perfect attendance will be eligible for a 5% increase in the final grade as Extra Credit. Course grades will be determined according to your successful participation and completion of the following activities:

ASSIGNMENT	% OF FINAL GRADE
Participation	35%
Maverick Advantage Written Assignment	15%
Campus Event	10%

In- Class Assignments	40%
TOTAL	100%

A grade of Z for the course will not be awarded without prior consultation with the instructor. The student is responsible for initiating this conversation with the instructor. Incompletes will be given only for such reasons as medical emergencies, serious emotional distress, etc. The instructor reserves the right to make the final decision a grade of Z.

Drop Policy

Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student's responsibility to officially withdraw if they do not plan to attend after registering. **Students will not be automatically dropped for non-attendance.** Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships (<http://www.uta.edu/fao/>).

Participation

Every student is expected to actively engage in every class meeting. Engagement is defined as paying attention, responding to Instructor's questions, raising your own questions, adding your opinion to classroom discussions, participating in classroom activities, and generally positively contributing to the learning environment. Please note that sleeping, reading the newspaper, working on other course work, writing notes, playing with phones or mp3 players, and daydreaming are not acceptable and you will be invited to leave the classroom if you participate in these negative behaviors.

COURSE POLICIES

Non-Discrimination Policy

The University of Texas at Arlington does not discriminate on the basis of race, color, national origin, religion, age, gender, sexual orientation, disabilities, genetic information, and/or veteran status in its educational programs or activities it operates. For more information, visit uta.edu/eos.

Title IX Policy

The University of Texas at Arlington ("University") is committed to maintaining a learning and working environment that is free from discrimination based on sex in accordance with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence Elimination Act (SaVE Act). Sexual misconduct is a form of sex discrimination and will not be tolerated. For information regarding Title IX, visit www.uta.edu/titleIX or contact Ms. Jean Hood, Vice President and Title IX Coordinator at (817) 272-7091 or jmhood@uta.edu.

Academic Integrity

Students enrolled all UTA courses are expected to adhere to the UTA Honor Code:

I pledge, on my honor, to uphold UT Arlington's tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

UTA faculty members may employ the Honor Code in their courses by having students acknowledge the honor code as part of an examination or requiring students to incorporate the honor code into any work submitted. Per UT System Regents' Rule 50101, §2.2, suspected violations of university's standards for academic integrity (including the Honor Code) will be referred to the Office of Student Conduct. Violators will be disciplined in accordance with University policy, which may result in the student's suspension or expulsion from the University. Additional information is available at <https://www.uta.edu/conduct/>.

Electronic Communication

UTA has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. All students are assigned a MavMail account and are responsible for checking the inbox regularly. There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at <http://www.uta.edu/oit/cs/email/mavmail.php>.

Campus Carry

Effective August 1, 2016, the Campus Carry law (Senate Bill 11) allows those licensed individuals to carry a concealed handgun in buildings on public university campuses, except in locations the University establishes as prohibited. Under the new law, openly carrying handguns is not allowed on college campuses. For more information, visit <http://www.uta.edu/news/info/campus-carry/>

Student Feedback Survey

At the end of each term, students enrolled in face-to-face and online classes categorized as "lecture," "seminar," or "laboratory" are directed to complete an online Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student's feedback via the SFS database is aggregated with that of other students enrolled in the course. Students' anonymity will be protected to the extent that the law allows. UTA's effort to solicit, gather, tabulate, and publish student feedback is required by state law and aggregate results are posted online. Data from SFS is also used for faculty and program evaluations. For more information, visit <http://www.uta.edu/sfs>.

Emergency Exit Procedures

Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities.

Student Support Services

UTA provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include [tutoring](#), [major-based learning centers](#), developmental education, [advising and mentoring](#), personal counseling, and [federally funded programs](#). For individualized referrals, students may visit the reception desk at the Division of Student Success (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at <http://www.uta.edu/universitycollege/resources/index.php>.

Success Series

The Success Series is a workshop series designed to improve academic success and enhance important life skills. Topics range from basic skills such as effective note taking, tips for taking online classes, and how to become a better presenter to information about getting a job on campus and studying abroad. It is also a great way to learn about resources available and services offered by the various departments here at UTA. Visit the website uta.edu/successseries to see the full schedule of upcoming topics and dates.

Final Review Week

For semester-long courses, a period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this week *unless specified in the class syllabus*. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.

Classroom Technology

Although laptops are an essential part of our educational process in today's techno-savvy era, the Student Success course requires that if you bring a laptop into the classroom, its use is restricted to classroom activities pertinent to that day's subject only. This means that students may not bring a laptop into the classroom and use that laptop for checking their email, browsing Facebook, surfing the web, or use it to complete other course work. **NO EXCEPTION WILL BE MADE.** If a student is found using their laptop for anything other than Student Success coursework, that student will be invited to leave the class for that day and will be marked as an unexcused absence.

Cell phones, MP3 players, beepers, and any other personal technology device should be placed on silent mode during class time. Interruptions such as ringing, beeping, vibrating, etc. will not be tolerated. Should a device "go off" during class time, the student will be invited to leave the class and will be marked as an unexcused absence.

Disability Accommodations

UTA is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including *The Americans with Disabilities Act (ADA)*, *The Americans with Disabilities Amendments Act (ADAAA)*, and *Section 504 of the Rehabilitation Act*. All instructors at UTA are required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of disability. Students are responsible for providing the instructor with official notification in the form of **a letter certified by the Office for Students with Disabilities (OSD)**. Only those students who have officially documented a need for an accommodation will have their request honored. Students experiencing a range of conditions (Physical, Learning, Chronic Health, Mental Health, and Sensory) that may cause diminished academic performance or other barriers to learning may seek services and/or accommodations by contacting:

The Office for Students with Disabilities, (OSD) www.uta.edu/disability or calling 817-272-3364.

Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at www.uta.edu/disability.

COURSE TIMELINE

"As the instructor for this course, I reserve the right to adjust this schedule in any way that serves the educational needs of the students enrolled in this course."

Blue highlights indicate Dr. Mydlarz led lesson.

Date	Lesson	Assignment (HW)	Textbook Pages
8/22	Syllabus, Blackboard, Echo 360, Outlook E-mail etiquette & Introducing Ourselves	HW: Write me an email introducing yourself	-
8/27	Getting Involved on Campus*	In-class: "Kinda Heads Up" HW: Find at least 5 organizations you are interested in & write them down with a description to turn in next class Reminder: Activities Fair (8/29)	Chapter 3
8/29	Getting Involved on Campus (Part 2)/ Leadership/ Events!*	In-class: "Getting to Know You" assignment HW: VARK assignment & prepare questions for Dr. Mydlarz Reminder: Get involved in 1 campus event! (DUE 11/26)	Chapter 3
9/3	No class--Labor Day	HW: Keep preparing questions for Dr. Mydlarz (as a professor)	-
9/5	Maverick Advantage	In-class: Getting to Know You Assignment HW: Maverick Advantage Assignment (DUE 9/12)	-
9/10	Note-taking & Critical Listening// VARK	In-class: Watch video	Chapter 5
9/12	Ask a UTA Biology Professor! Q & A Maverick Advantage Assignment DUE		-
9/17	Campus Resources/Library Resources & Making	In-class: Field Trip	Chapter 10

	Connections		
9/19	Goal-setting	In-class: Timeline HW: Come up with 5 questions to ask Dr. Mydlarz (as an expert in Biology)	Chapter 4
9/24	Time Management	In-class: Draw out your schedule! HW: Continue to write questions for Dr. Mydlarz	Chapter 4
9/26	Wellness & Community: Healthy Lifestyles: Physical & Mental	In-class: Tea Video & Research Your Favorite Foods HW: Continue to write questions for Dr. Mydlarz	Chapter 7
10/1	True Colors & Myers Briggs Test*	In-class: True Colors Assignment & Myers Briggs Test HW: Finalize/edit questions for next class to ask Dr. Mydlarz	-
10/3	Ask a Professional in the field of Biology!!	HW: Write the answers to your questions (neatly handwritten please!)	-
10/8	Study & Test Taking Skills	In-class: Improve Study Skills	Chapter 5 & 6
10/10	Money Management w/ Guest Speaker		-
10/15	Money Management & Financial Literacy	In-class: Price is Right	Chapter 9
10/17	Resumes and Interviews*	In-class: Resume	-
10/22	How You Got to Where You Are- Life Journey		-
10/24	Homesickness/Family Oriented/ Relationships/ self-love/CAPS	In-class: Help & Compliment circle	Chapter 7
10/29	Diversity & Teamwork	In-class: Coloring Map & Sharing Traditions// Sign-up for Presentation	-

		Topic! HW: Prepare for presentation	
10/31	Presentation Skills	In-class: Presentation Practice HW: Prepare for presentation project	-
11/5	MCAT/ GRE/ Dental/ Internships/ Research/ Medical School/ Recommendation Letters	HW: Prepare for your presentations!	-
11/7	Degree and Career Planning	In-class: Make a 1 year degree-plan & degree-mapping tool HW: Prepare for your presentations!	Chapter 2 & 8
11/12	Presentations	HW: Prepare for your presentations	-
11/14	Presentations (cont.)	HW: Prepare for your presentations	-
11/19	Presentations (cont.)		-
11/21	No class--Wednesday before Thanksgiving!		-
11/26	Stress Management	In-class: Stress Balls & Coloring! DUE: Proof of participation in a UTA event (picture)	Chapter 7
11/28	Finals Prep/ Refresher on Study & Test Taking tips!	Bring food for next class!	Chapter 5 & 6
12/3	Last day of Classes- POTLUCK & Reflect on First Semester of College	In-class: Class evaluation online	-
