Student Evaluation of Teaching

At the end of the course, you will be asked to complete an evaluation form of the course content and the faculty's effectiveness.

Faculty's Philosophy and Responsibilities

Education is a journey, not a destination. Learning is a life-long activity. My role is to facilitate your learning and help you to become a self-directed, life-long learner capable of maintaining your own knowledge and skill set over time.

Student Responsibilities

The student is responsible for reading assigned materials, viewing the lecture videos, participating in the course discussions, completing assigned work, and reviewing other materials as necessary to support comprehension of course content. Students are responsible for all material provided online, including lecture notes, announcements, and material that results from group discussions. Students are responsible for communicating needs/concerns to their Academic Coach. As necessary, the Academic Coach will communicate with the course faculty member.

Students are expected to participate in the online discussions and students' comments/responses should reflect academic preparation. All written presentations should follow APA format guidelines, using correct grammar, spelling, and punctuation.

UTA INFORMATION

Student Code of Ethics

The University of Texas at Arlington College of Nursing and Health Innovation supports the Student Code of Ethics Policy. Students are responsible for knowing and complying with the Code.   The Code can be found in the UTACON Student Handbook.

Academic Integrity

It is the philosophy of The University of Texas at Arlington that academic dishonesty is a completely unacceptable mode of conduct and will not be tolerated in any form. All persons involved in academic dishonesty will be disciplined; in accordance with University regulations and procedures. Discipline may include suspension or expulsion from the University.

"Scholastic dishonesty includes but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts." (Regents' Rules and Regulations, Series 50101, Section 2.2) For additional information please refer to the UTACON Student Handbook.

Statement for Americans with Disabilities Act

The University of Texas at Arlington is on record as being committed to both the spirit and letter

of federal equal opportunity legislation; reference Public Law 92-112 - The Rehabilitation Act of 1973 as amended. With the passage of federal legislation entitled Americans with Disabilities Act (ADA), pursuant to section 504 of the Rehabilitation Act, there is renewed focus on providing this population with the same opportunities enjoyed by all citizens.

As a faculty member, I am required by law to provide **"reasonable accommodation"** to students with disabilities so as not to discriminate based on that disability. All lecture videos are provided in the Resources section of the course with ADA accommodations. Student responsibility primarily rests with **informing your Academic Coach or faculty at the beginning of the course and in providing authorized documentation**. Information regarding specific diagnostic criteria and policies for obtaining academic accommodations can be found at **www.uta.edu/disability**.

Online Conduct

The discussion opportunities should be viewed as a public and professional forum for course-related discussions.

Students are free to discuss academic matters and consult one another regarding academic resources. The tone of online postings should be professional in nature.

It is not appropriate to post statements of a personal or political nature or statements criticizing classmates or faculty.

Inappropriate statements/language will be deleted by the course faculty and may result in denied access to the discussion board.

COLLEGE OF NURSING AND HEALTH INNOVATION - INFORMATION

APA Format

All nursing papers are expected to follow American Psychological Association (APA) format. In addition to the APA manual, a brief summary of commonly used APA information may be found under the UTACON Student Handbook.

The Student Handbook can be found by going to the following link: **http://www.uta.edu/nursing/file_download/113/BSN+STUDENT+HANDBOOK.pdf** or by going to the nursing website, **www.uta.edu/nursing** and using the link provided under BSN Programs.

No Gift Policy

In accordance with Regents Rules, Regulations, and the UTA Standards of Conduct, the College of Nursing and Health Innovation has a "no gift" policy. A donation to the UTA College of Nursing and Health Innovation Scholarship Fund would be an appropriate way to recognize an Academic Coach or faculty member's contribution to your learning. For information regarding the Scholarship Fund, please contact the Dean's office.
