Learning Outcomes:

The primary purpose of this course is to assist school professionals in developing improved classroom management and discipline skills and strategies. Participants will explore several philosophical bases for discipline techniques as well as their practical applications in order to develop a more personalized approach to classroom management discipline.

By the completion of this course, students will:

1. Define classroom management and relate it to classroom discipline.
2. Describe various teaching, learning, and behavior management techniques for dealing with pupil variability.
3. Design and appraise classroom environments in order to determine the influences on student behavior and learning.
4. Explain specific strategies/techniques that can enhance students’ active participation and motivation.
6. Design a personal and specific model of classroom management.

The candidate will display the following knowledge, skill, and/or attitudes:
1. Demonstrate the dispositions necessary to help all students learn
2. The context of the school, family, and community to insure students have meaningful learning experiences.
3. The skills necessary to insure meaningful learning experiences for students based on their developmental levels.
4. Participation in field experiences that facilitate the learning of students with exceptionalities and/or stem from diverse populations.
5. Practices and dispositions that value teaching and learning in a classroom environment of diversity.
6. Sharing experiences in working with diverse populations in order to modify and enhance their respective teaching practices.

Major assignments and examinations:
1. Student Data Form
2. Pearson Weekly Plan with Pre & Post Tests
3. Weekly Essays
4. Self-Motivation and Reduction of Stress Paper

Virtual Office Hours (Video Support):
This will be done through videoconference sessions.
I will be available during "Virtual Office Hours", each Monday, at 4:30 PM. I will provide suggestions for answers to weekly essays. Email me if you have any questions. Directions for how to login are in the link below. You will need Java on your computer to be able to login to virtual office hours.

- D = 600 – 699 Points
- F = 0 – 599 Points

**Expectations for Out-of-Class Study:**

Beyond the time required to attend each class meeting, students enrolled in this course should expect to spend at least an additional 6 hours per week of their own time in course-related activities, including reading required materials, completing assignments, preparing for exams, etc.

**Grade Grievances:**

For graduate courses, see [http://www.uta.edu/gradcatalog/2012/general/regulations/#grades](http://www.uta.edu/gradcatalog/2012/general/regulations/#grades).

**Drop Policy:**

Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student’s responsibility to officially withdraw if they do not plan to attend after registering. **Students will not be automatically dropped for non-attendance.** Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships ([http://wweb.uta.edu/les/fao](http://wweb.uta.edu/les/fao)).

**Americans with Disabilities Act:**

The University of Texas at Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including the Americans with Disabilities Act (ADA). All instructors at UT Arlington are required by law to provide “reasonable accommodations” to students with disabilities, so as not to discriminate on the basis of that disability. Any student requiring an accommodation for this course must provide the instructor with official documentation in the form of a letter certified by the staff in the Office for Students with Disabilities, University Hall 102. Only those students who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at [www.uta.edu/disability](http://www.uta.edu/disability) or by calling the Office for Students with Disabilities at (817) 272-3864.
Academic Integrity:

All students enrolled in this course are expected to adhere to the UT Arlington Honor Code:

I pledge, on my honor, to uphold UT Arlington’s tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

Student Support Services:

UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at www.uta.edu/resources.

Electronic Communication:

UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. All students are assigned a MavMail account and are responsible for checking the inbox regularly. There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at http://www.uta.edu/oit/cs/email/mavmail.php.

Student Feedback Survey:

At the end of each term, students enrolled in classes categorized as lecture, seminar, or laboratory shall be directed to complete a Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student’s feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit http://www.uta.edu/sfs.

Final Review Week:

A period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this week unless specified in the class syllabus. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.

College of Education and Health Professions Policies:

TK-20:

The College of Education and Health Professions is pleased to announce the adoption of Tk20, a comprehensive data management system that will provide us with powerful tools to manage our growth and streamline our processes to enable us to meet your needs more efficiently and effectively. As with other course materials, you will need to subscribe to the program for a one-time only, non-refundable cost of $100. You may purchase your subscription online from a link provided on the system’s website or from the UT Arlington Bookstore as you would a textbook or other course materials. Please see the letter from Dean Gerlach and visit http://www.uta.edu/coehp/tk20 for more information. The following is a partial listing of what the Tk20 system will enable you to do:

- Create your course and performance artifacts online, which you will be able to access and use beyond graduation. This will be a great benefit to you as you seek to advance in your education career and build your career portfolio over time.
- Submit forms online, including applications for student teaching and other clinical practice required for teacher or administrator certification, and receive timely notification of placement details sent directly to your Tk20 account.
- Create multimedia portfolios for documenting your work for presentation to faculty and prospective employers that can be exported to CDs or other media.
- Monitor your progress throughout the program and have access to a fully documented record of your program performance, including field experience, practicum, internship, or clinical practice. This is particularly important, given increased use of performance interviews by employers.

On-line tutorials and training materials have been organized to orient you to the Tk20 system and its use.

We appreciate your hard work and dedication toward completing your education in the College of Education and Health Professions at the University of Texas at Arlington!

AVID:

AVID’s mission is to close the achievement gap by preparing all students for college readiness and success in a global society.

The AVID Teacher Preparation Initiative collaborates with colleges and schools of education to systematically address the needs of teacher candidates enrolled in teacher education programs. AVID supports teacher candidates in their efforts to obtain teacher certification. AVID assists faculty and staff in analyzing existing curriculum and data, identifying barriers and needs, and establishing learning outcomes and assessments. When implemented with fidelity, AVID has the
potential to impact the preparation and performance of teacher candidates through consistent support and professional
development for faculty and staff.

At UTA, we are working with AVID on the Teacher Preparation Initiative. In particular, we are aligning our courses to
include the framework WICOR: Writing, Inquiry, Collaboration, Organization, and Rigor. The syllabus and instruction
in this course will involve WICOR as both an instructional and an organizational tool. We believe this will help you be
better prepared to meet the needs of a diverse student population as you leave UTA and pursue your teaching career. In
addition to assessment of your participation in the course, we will also be asking for your feedback as we strive to
improve this partnership.
