Section Information:

NURS 5447-001-002

Time and Place of Class Meetings:

This class meets online in Blackboard. While most class participation is asynchronous, some synchronous online activities may be scheduled.

Description of Course Content:

Clinical management of the high-risk neonate using evidence based knowledge, research, pharmacological, and technological therapies. Includes clinical management of complex health problems affecting infants (birth to 2 years of age) and their families including chronic care and ethical issues.

Other Requirements:

Prerequisite: NURS 5537. As this course is offered in an online format, each student must have access to a computer and a high speed internet connection on a daily basis. Review UTA's hardware recommendations: <http://www.uta.edu/oit/cs/hardware/student-laptop-recommend.php> and Blackboard's browser requirements: <http://www.uta.edu/blackboard/browsertest/browsertest.php>. This course requires the use of word processing and presentation software that is compatible with Microsoft Office formats. Students may purchase this software (in person or by mail) at a significant discount from the UTA bookstore <http://www.uta.edu/bookstore> (scroll to the bottom of the webpage). Students are **required to have a headset (with microphone) and webcam** to participate in web conferences and to test online. Testing will be done online using Respondus browser and monitor (which students must download from a link within Blackboard and install on their computer).

Student Learning Outcomes:

1. Assess, diagnose, and plan for the management of health care needs of the high-risk neonate using evidence-based knowledge.
2. Use pharmacologic and technologic therapies in the management of the high risk neonate's complex acute and chronic illnesses.
3. Develop plans for health promotion and disease prevention in the care of the high-risk neonate within their family system.

Course schedule/major assignments:

As the instructor for this course, I reserve the right to adjust this schedule in any way that serves the educational needs of the students enrolled in this course. –Patricia E. Thomas

Major Assignments	Percentage	Proposed Date
Participation/brief assignments	10%	Ongoing/online
Clinical Decision Making Paper	20%	6/20/14
Discharge Plan	5%	11/21/14
Ethics Presentation	5%	12/1/14
Test 1	30%	9/22/14
Test 2	30%	10/27/14
TOTAL	100%	

Grading Policy: Students are expected to keep track of their performance throughout the semester and seek guidance from available sources (including the instructor) if their performance drops below satisfactory levels.

Course Grading Scale

A = 92 to 100

B = 83 to 91

C = 74 to 82

D = 68 to 73 – cannot progress

F = below 68 – cannot progress

- There are no options for extra credit in this course.
- Work may not be re-submitted for re-grading
- Acceptance of a late assignment is at the discretion of the instructor. Work is considered late if it is received after the scheduled due date and time. Points will be deducted for work that is submitted late. Graded late work is not guaranteed to be returned at the same time on-time assignments are returned.

- Grades of incomplete are NOT automatically given when there are missing assignments at the end of the course. A student must discuss, with the faculty of record for the course, the reasons that an incomplete grade is being requested. This discussion must occur as soon as the student recognizes that a problem exists. Faculty members are not obligated to grant an incomplete grade. With no prior discussion of the need for an incomplete, students not completing the required activities will receive the grade for the course based on the percentage of the required material submitted.

In this course, you will submit papers as Microsoft Word-compatible documents to **SafeAssign** in Blackboard. Review the student resources section on Blackboard for more information about the tool. You are encouraged to use the DRAFT function within SafeAssign prior to submitting your FINAL draft. See details below:

1. **DRAFT:** The DRAFT SafeAssign feature allows you to check your paper for potential areas of plagiarism so that you may edit it prior to turning in your final submission. The SafeAssign DRAFT is not reviewed by your instructor. When you upload, please check the “submit as draft” option. The DRAFT box becomes available 72 hours prior to the final submission due date/ time and remains open until the date and time that the paper is due. At busy times, it may take up to 72 hours to receive a report.
2. **FINAL:** This Safe Assign location is separate and is the only one that will be graded. Only one document can be uploaded per SafeAssign. **The document you upload to the FINAL dropbox is the one that will be graded, so be certain it is the correct paper.**

Expectations of Out-of-Class Study: Beyond the time required to participate in class each week, students enrolled in this course should expect to spend at least an additional **12 hours per week** on their own time in course-related activities, including reading required materials, completing assignments, preparing for exams, etc.

Attendance Policy: At the University of Texas at Arlington, taking attendance is not required. Rather, each faculty member is free to develop his or her own methods of evaluating students’ academic performance, which includes establishing course-specific policies on attendance. As the instructor of this section, regular online class attendance and participation is expected of all students.

Drop Policy: Graduate students who wish to change a schedule by either dropping or adding a course must first consult with their Graduate Advisor. Regulations pertaining to adding or dropping courses are described below. Adds and drops may be made through late registration either on the Web at MyMav or in person through the student’s academic department. Drops can continue through a point two-thirds of the way through the term or session. It is the student’s responsibility to officially withdraw if they do not plan to attend after registering. **Students will not be automatically dropped for non-attendance.** Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. Contact the Office of Financial Aid and Scholarships at <http://www.uta.edu/aao/fao/> . The last day to drop a course is listed in the Academic Calendar available at <http://www.uta.edu/uta/acadcal.php?session=20146>

1. A student may not add a course after the end of late registration.
2. A student dropping a graduate course after the Census Date but on or before the end of the 10th week of class may with the agreement of the instructor, receive a grade of W but only if passing the course with a C or better average. A grade of W will not be given if the student does not have at least a C average. In such instances, the student will receive a grade of F if he or she withdraws from the class. Students dropping a course must:

- (1) Contact course faculty to obtain permission to drop the course with a grade of “W”.
- (2) Contact your graduate advisor to obtain the form and further instructions.

Census Day: September 8, 2014
Last day to drop or withdraw October 29, 2014

Americans with Disabilities Act: The University of Texas at Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including the *Americans with Disabilities Act (ADA)*. All instructors at UT Arlington are required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of that disability. Any student requiring an accommodation for this course must provide the instructor with official documentation in the form of a letter certified by the staff in the Office for Students with Disabilities, University Hall 102. Only those students who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at www.uta.edu/disability or by calling the Office for Students with Disabilities at (817) 272-3364.

Title IX: The University of Texas at Arlington is committed to upholding U.S. Federal Law “Title IX” such that no member of the UT Arlington community shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity. For more information, visit www.uta.edu/titleIX.

Academic Integrity: All students enrolled in this course are expected to adhere to the UT Arlington Honor Code:

I pledge, on my honor, to uphold UT Arlington’s tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

UT Arlington faculty members may employ the Honor Code as they see fit in their courses, including (but not limited to) having students acknowledge the honor code as part of an examination or requiring students to incorporate the honor code into any work submitted.

Per UT System Regents’ Rule 50101, §2.2, suspected violations of university’s standards for academic integrity (including the Honor Code) will be referred to the Office of Student Conduct. Violators will be disciplined in accordance with the University policy, which may result in the student’s suspension or expulsion from the University.

"Scholastic dishonesty includes but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts."

As a licensed registered nurse, graduate students are expected to demonstrate professional conduct as set forth in the Texas Board of Nursing rule **§215.8. in the event that a graduate student holding**

an RN license is found to have engaged in academic dishonesty, the college may report the nurse to the Texas BON using rule §215.8 as a guide.

Plagiarism: Copying another student's paper or any portion of it is plagiarism. Copying a portion of published material (e.g., books or journals) without adequately documenting the source is plagiarism. Consistent with APA format, if five or more words in sequence are taken from a source, those words must be placed in quotes and the source referenced with author's name, date of publication, and page number of publication. If the author's ideas are rephrased, by transposing words or expressing the same idea using different words, the idea must be attributed to the author by proper referencing giving the author's name and date of publication. If a single author's ideas are discussed in more than one paragraph, the author must be referenced, according to APA format. Authors whose words or ideas have been used in the preparation of a paper must be listed in the references cited at the end of the paper. Students are expected to review the plagiarism module from the UT Arlington Central Library via <http://library.uta.edu/plagiarism/index.html>

Student Support Services: UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at www.uta.edu/resources.

Electronic Communication: UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. **All students are assigned a MavMail account and are responsible for checking the inbox regularly.** There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at <http://www.uta.edu/oit/cs/email/mavmail.php>. If you are unable to resolve your issue contact the Helpdesk at helpdesk@uta.edu.

Student Feedback Survey: At the end of each term, students enrolled in classes categorized as lecture, seminar, or laboratory shall be directed to complete a Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student's feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington's effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit <http://www.uta.edu/sfs>.

Final Review Week: A period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this week *unless specified in the class syllabus*. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.

Emergency Exit Procedures: Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist handicapped individuals.
