*The custom edition for *Span 1441 (RED COVER)* is sold as a "bundle" and costs more than the other 2 books because it also includes a registration code which will give you 24-month access to the online work that is a mandatory part of the course, "Connect." This also includes access to the e-textbook, although you must still have hard copy for classroom use. Additionally, the new textbook for each level also contains the corresponding chapters in the Supplementary Materials Workbook, previously sold at additional cost.

*Your online work is incorporated into Blackboard.* AFTER you purchase the bundle with the textbook and access/registration code, follow the instructions in the special registration file which explains how to register and enter your access code on Blackboard. This registration file can be found on the Lower Level Spanish blog: http://lowerlevelspanish.wordpress.com

Click on the tab that says “SPAN 1441 CAMPUS.” *NOTE: Please wait to hear from your instructor as to when the Connect online portion of the course is available on Blackboard, as you will not be able to register there until it is.*

*Remember:* As explained in the registration instruction file, even though it is possible to purchase the access code to the online work on internet, DO NOT DO THIS. The reason is because the textbook is NOT sold stand alone; it is only sold with the access code for online work. If you purchase the access code on internet, you will have to pay for it again when you buy your textbook.

COURSE COMPONENTS

♦ Midterm and Final Exams (20% & 25% respectively)
The Midterm Exam and the Final Exam will be given only on the dates shown on the syllabus. You will be tested on Chapters 1, 2 and 3 for the Midterm. The Final Exam will emphasize Chapters 4, 5 and 6, but will contain some of the concepts presented in the first half, which are required for comprehension of topics presented later in the course. Reviews for these exams can be found on the Lower Level Spanish student blog: http://lowerlevels spanish.wordpress.com

♦ Chapter Tests (20%)
Chapter Tests are given for Chapters 1, 2, 4 and 5 on the dates shown on the syllabus. You will be tested over material from your online work, the textbook, and class activities. The policy of the department is no make-ups. If a student provides proper written documentation for an excused absence (only for serious extenuating circumstances) on the day of a Chapter Test, the score of the Midterm or Final (whichever corresponds to the missed Chapter Test) will also be used as the score for that test. Otherwise, missed tests are recorded as a grade of zero. Only students who provide an excuse on university letterhead or who miss a test due to active duty military obligations will be allowed to make up a missed test.

♦ Writing Assignments: Mi diario (10%)
For Chapters 1, 2, 4 and 5, students will complete a writing assignment, Mi diario, which is due on the day of the corresponding chapter test. Mi diario assignments must be submitted in the format indicated on the instruction sheet. They will be returned with corrections indicated using the ECCO correction code. The final grade is based on the student’s re-write using the ECCO corrections. No credit is given for the original submission. Instructions for content and format of each Mi diario, as well as the ECCO Correction Code, can all be found on the student blog. N.B.: At the discretion of the instructor, the Mi Diario due dates may be changed to the class day before or after the chapter test.

♦ Oral Presentations: Situaciones I & II (5%)
There will be two in-class oral presentations called Situaciones. Both Situaciones topics will be provided by the instructor and announced several days before the presentation date. No note cards or other visual aids containing text are allowed: the presentation must be memorized or the student will not be allowed to present and will receive a zero for the assignment. Each will be presented in class on the day indicated on the syllabus. The grade for both Situaciones will be based on pronunciation, content, fluency, and mastery of vocabulary and structures studied in the course. See your course calendar for exact Situaciones presentation dates.

♦ Participation (5%)
Class participation will be assessed regularly throughout the semester (unannounced) and will be based on communicative activities carried out during class time. There will be a minimum of one class participation grade per chapter, although more participation grades may also be given at the discretion of the instructor. Students who are absent on the day of a class participation grade will receive a zero for participation on that day. Exemptions from class participation grades are only given to students who provide an excuse on university letterhead or who miss a class due to active duty military obligations.

Connect Online Components: LearnSmart & Workbook/Lab Manual

♦ LearnSmart Vocabulary & Grammar Quizzes (5%)
Each chapter requires students to complete a LearnSmart Vocabulary module and a LearnSmart Grammar module in Connect, the online course component. LearnSmart Vocabulary will be due by midnight the day before each new chapter begins, except for Chapter 1 (see course calendar). LearnSmart Grammar will be due by midnight on the day before all Chapter Tests and the Midterm Exam; Ch. 6 Grammar will be due at the completion of that chapter (see course calendar).

Both the LearnSmart Vocabulary module and the LearnSmart Grammar module are considered to be quizzes for each chapter, and together are worth 5% of your grade as stated in Grade Distribution. Instructors may also choose to give their own quizzes during class time; if so, these quiz grades will also be factored into this category as a part of your grade. At the end of the semester, the 2 lowest quiz grades will be automatically dropped (whether they are LearnSmart or class quizzes) IF the student has not been reported to Student Conduct for any violations of the UTA Honor Code. See Academic Integrity.

♦ WBLM - Workbook/Lab Manual (10%)
Each chapter contains mandatory work in the online Workbook/Lab Manual which must be completed by midnight on the day before Chapter Tests (1, 2, 4, 5) and the Midterm Exam (Ch. 3); Ch. 6 WBLM will be due after the completion of that chapter.
COURSE EXPECTATIONS AND REQUIREMENTS FOR LOWER LEVEL SPANISH CLASSES

- A grade of “C” or better in Spanish 1441 is a prerequisite for Spanish 1442.
- Spanish 1441 will be conducted at least 50% in Spanish at the beginning of the semester and 70-90 % by the end of the semester. Students are expected to use the target language to the best of their ability at all times.
- Spanish 1441 is a pre-requisite for Spanish 1442, 2313, and 2314. If you are currently enrolled in any other lower level Spanish course, you will be dropped from the higher level course.
- Note that for every credit hour earned, a student should spend three hours per week working outside of class. Students enrolled in this course can expect to spend 9-12 hours per week of their own time in course-related study, which includes online work, writing assignments, homework, etc.

LATE REGISTRATION / CENSUS DATE / DROP POLICY

Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period which ends on January 23rd. Students are required to make any course changes by the census date, February 4th. No transfers of courses or classes will be made after that date. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. It is the student’s responsibility to officially withdraw if they do not plan to attend after registering. Students will not be automatically dropped for non-attendance. The last day to drop is Friday, April 3rd. Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships on this link: http://www.uta.edu/ses/fao

STUDENT FEEDBACK SURVEY

At the end of each term, students enrolled in classes categorized as lecture, seminar, or laboratory shall be directed to complete a Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student’s feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit: http://www.uta.edu/sfs

ACADEMIC INTEGRITY

All students enrolled in this course are expected to adhere to the UT Arlington Honor Code as follows:
"I pledge, on my honor, to uphold UT Arlington’s tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence. I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code."

It is the philosophy of UTA that academic dishonesty is a completely unacceptable mode of conduct and will not be tolerated in any form. All persons involved in academic dishonesty will be disciplined in accordance with University regulations and procedures. Discipline may include suspension or expulsion from the University. "Scholastic dishonesty includes but is not limited to cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such act." Collusion is defined as collaborating with another, without authorization, when preparing an assignment. (Regents' Rules and Regulations, Series 50101, Section 2.2).

♦ Specific Department Policy Regarding Academic Integrity

The use of online translators, however limited, is included in the definition of scholastic dishonesty and is strictly forbidden. Any help obtained from another person on work submitted for a grade, or any help given to another student for the same, including but not limited to composing text, proof-reading, correcting or editing, is considered collusion and will also be reported as cheating. If a student has any doubts whatsoever as to what constitutes any form of scholastic dishonesty, s/he should consult the course instructor before submitting work which is subject to the afore-mentioned rules. Instructors may issue a preliminary warning for a first-time offense, but they are under no obligation to do so before reporting students directly to the Office of Student Conduct. N.B.: Students reported to Student Conduct for academic dishonesty will not qualify for dropping the 2 lowest quiz grades, regardless of the final adjudication in the case.
AMERICANS WITH DISABILITIES ACT
The University of Texas at Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including the Americans with Disabilities Act (ADA). All instructors at UT Arlington are required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of that disability. Any student requiring an accommodation for this course must provide the instructor with official documentation in the form of a letter certified by the staff in the Office for Students with Disabilities, University Hall 102. Only those students who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at www.uta.edu/disability or by calling the Office for Students with Disabilities at (817) 272-3364.

♦ Note to students registered with the Office for Students with Disabilities
Students who are granted special testing accommodation must present their letter of accommodation from the OSD to their instructor immediately. If their letter permits accommodation in the ARC (Adaptive Resource Center), they will be expected to make a decision as to whether they wish to use this accommodation or not, and which assessments they will use it for if so (quizzes, tests, exams, in-class compositions, etc.), by signing the department declaration of preferred testing. All chapter tests/quizzes/in-class essays must be scheduled one calendar week in advance of the testing date on the syllabus. Midterm & Final Exams must be scheduled two calendar weeks in advance of the testing date on the syllabus. Students failing to schedule testing in the ARC within this stipulated time frame will be expected to take their assessment (test, exam, etc.) in the classroom and within the standard time allowed for the course. Students who do not wish to use their testing accommodation(s) in the ARC must adhere to the same conditions for testing as all other students, as per the policies of the Department of Modern Languages. Students who have renounced the use of testing accommodation in the ARC may, at a later date, begin using their testing accommodations as long as they sign another statement which reflects their current testing preference.

N.B.:
(a) At least one week’s notice must be given if a student previously testing in the classroom decides to begin using testing accommodation in the ARC in order to allow time for scheduling of tests and timely delivery of materials to the ARC by the instructor; (b) no testing accommodation will be provided if the student does not present official documentation from the Office for Students with Disabilities.

E-CULTURE POLICY AND E-MAIL USE

• All e-mail correspondence to your instructor must originate from your UTA email account. EMAIL ORIGINATING FROM ANY OTHER ACCOUNT WILL BE IGNORED.

• When communicating with faculty by e-mail, it is important that students keep the following in mind:
  1) Be courteous: always use salutations and signatures. N.B.: "Sent from my iPhone" (or similar) is not acceptable as a signature and is considered to be disrespectful.
  2) For serious matters, use emails to facilitate a mutually agreeable time to meet. Email should not be used to avoid or replace personal interaction.
  3) Never use email to vent or to respond immediately to an emotional situation.
  4) Always remember that email creates a documentary record of one's communication with others.

• There are two main reasons for using e-mail in this course:
  1) To set up a face-to-face appointment with your instructor if you wish to ask questions regarding course materials, clarification or concerns about your progress in the course.
  2) To inform the professor of absences.

• Do not use email for the following:
  1) Do not email your instructor asking him/her to tell you what you missed in class.
  2) Do not email your instructor asking him/her to email you class notes as an attachment.
  3) Do not email your instructor asking him/her to email you course handouts.
  4) Do not use email as a way to solve issues that should be resolved professionally during the instructor's scheduled office hours.
TITLE IX:
The University of Texas at Arlington is committed to upholding U.S. Federal Law “Title IX” such that no member of the UT Arlington community shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity. For more information, visit www.uta.edu/titleIX.

EMERGENCY EXIT PROCEDURES
Should you experience an emergency event that requires you to vacate the building, you should exit the room and move toward the nearest exit. A list of these exits for all campus buildings can be found here: http://www.uta.edu/campus-ops/ehs/fire/Evac_Maps_Buildings.php
When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities.

ELECTRONIC DEVICES IN THE CLASSROOM
Cell phones, iPods, iPads, laptops and any other electronic devices must be turned off and put away (not be left on the student's desk or within sight) during class time. Students refusing to adhere to this rule may be asked, at the discretion of the instructor, to leave the classroom. Students are advised to leave the classroom if they must use their cell phones to communicate during an emergency situation.

COURSE DOCUMENTS
All documents pertaining to this course (syllabus, online registration instructions, Mi diario instructions and cover sheets, ECCO correction sheet, Midterm & Final Exam review files, etc.), are always available on the blog for Lower Level Spanish students: http://lowerlevelspanish.wordpress.com
Students are responsible for printing their own copies of these documents.
