Tk20: The College of Education and Health Professions is implementing Tk20, a comprehensive data management system that will provide powerful tools to manage growth and streamline processes to meet your needs more efficiently and effectively. The set of tools that is required as a course text is called TK20 HigherEd. The following is a partial listing of what the Tk20 system will enable you to do:

☐ Create your key assessments and performance artifacts online, which you will be able to access and use beyond graduation. This will enable you to present documented performance data and information to prospective employers, who are increasingly interested in data-supported evidence of an individual’s current and potential performance.

☐ Submit forms online, including applications for field-based experiences such as student teaching, practicum, internships, or other clinical practice required for teacher or administrator certification, and receive timely notification of placement details sent directly to your Tk20 account.

☐ Create multimedia portfolios for documenting your work for presentation to faculty and prospective employers that can be exported to CDs or other media.

☐ Monitor your progress throughout the program and have access to a fully documented record of your program performance, creating a vested partnership between you and faculty in your progress through your academic program.

On-line tutorials and training materials will orient you to the Tk20 system and its use. For additional information, go to http://www.uta.edu/coehp/tk20. We appreciate your hard work and dedication toward completing your education in the College of Education and Health Professions at the University of Texas at Arlington!

UTA Writing Center:
• Professionally trained tutors offer help with writing projects at any stage of the process at no cost to UTA students.
• You can submit a rough draft via email and request feedback from a tutor at the On-Line Writing Lab. (http://www.uta.edu/owl/).
American with Disabilities Act (ADA):
If you are a student who requires accommodations in compliance with the ADA, please consult with me at the beginning of the semester. As a faculty member, I am required by law to provide “reasonable accommodation” to students with disabilities, so as not to discriminate on the basis of that disability. Your responsibility is to inform me of the disability at the beginning of the semester and provide me with documentation authorizing the specific accommodation. Student services at UTA include the Office for Students with Disabilities (located in the lower level of the University Center) which is responsible for verifying and implementing
accommodations to ensure equal opportunity in all programs and activities.

The set of tools that is required as a course text is called TK20 HigherEd. The following is a partial listing of what the Tk20 system will enable you to do:

- Create your course and performance artifacts online, which you will be able to access and use beyond graduation. This will be a great benefit to you as you seek to advance in your education career and build your career portfolio over time.
- Submit forms online, including applications for student teaching and other clinical practice required for teacher or administrator certification, and receive timely notification of placement details sent directly to your Tk20 account.
- Create multimedia portfolios for documenting your work for presentation to faculty and prospective employers that can be exported to CDs or other media.
- Monitor your progress throughout the program and have access to a fully documented record of your program performance, including field experience, practicum, internship, or clinical practice. This is particularly important, given increased use of performance interviews by employers.

On-line tutorials and training materials have been organized to orient you to the Tk20 system and its use.

We appreciate your hard work and dedication toward completing your education in the College of Education and Health Professions at the University of Texas at Arlington!

**EC-6 Program Policies:**

**Attendance:**
Class absences are not classified as "excused" or "unexcused" as per the EC-6 Program Policy.
