CSE 1301-001: Computer Literacy
Fall 2015

Instructor: Fred Kashefi

Office Number: Engineering Research Building 340

Office Telephone Number: 817-272-…..

Email Address: fkkashefi@uta.edu

Faculty Profile: https://www.uta.edu/mentis/profile/?16687

Office Hours: Tue, Thr  10:30-11:59 am or by appointment

Section Information: CSE1301-001

Time and Place of Class Meetings: Tues/Thurs 12:30pm-1:20pm, Nedderman Hall 105 (NH 105)

Graduate Teaching Assistant: ENTER YOUR GTA’s INFORMATION BELOW

Lab schedule

Lab section 002 (Thr 2:00PM ~ 4:50PM) @ ERB 132
Lab section 003 (Tue 2:00PM ~ 4:50PM) @ ERB 132
Lab section 005 (Thr 7:00PM ~ 9:50PM) @ ERB 132

Description of Course Content:
For those persons having an interest in finding out what a computer is (and is not), the types of
problems suited for computers, and how to utilize a computer to solve problems. The organization
and characteristics of computers; applications of commercial software such as word processors,
spreadsheets, databases packages, and communication packages will be covered.

Required Textbooks and Other Course Materials:

  ISBN-10: 1285096924

Attendance:
At The University of Texas at Arlington, taking attendance is not required. Rather, each faculty member is free to develop his or her own methods of evaluating students’ academic performance, which includes establishing course-specific policies on attendance. As the instructor of this section, students are strongly encouraged to attend lectures (particularly due to some graded in-class quizzes), come to office hours, and make use of all available educational resources.

**Other Requirements:**
Exams will be closed book, but students will be allowed to bring a two-sided sheet of letter-size paper. Students are expected to check the course website for updates to the course schedule throughout the semester.

**Grading:**
Grade percentages will be calculated based on the following weights:

- Attendance: 5%
- Quizzes: 15%
- Labs: 30%
- Exam 1: 15%
- Exam 2: 15%
- Final Exam: 20%

\[
\text{Total} = 100 \%
\]

Letter grades will be determined based on the following ranges:

<table>
<thead>
<tr>
<th>Final Grade</th>
<th>Grade Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>90 - 100%</td>
</tr>
<tr>
<td>B</td>
<td>80 - 89%</td>
</tr>
<tr>
<td>C</td>
<td>70 - 79%</td>
</tr>
<tr>
<td>D</td>
<td>60 - 69%</td>
</tr>
</tbody>
</table>

The instructor reserves the right to move the thresholds down based on the distribution of final percentages, but they will not move up (e.g., if a grade percentage is between 90 and 100, this will receive an A). Students are expected to keep track of their performance throughout the semester and seek guidance from available sources (including the instructor) if their performance drops below satisfactory levels.

**Make-Up Assignments and Exams:**
If you miss an exam or quiz due to unavoidable circumstances (e.g., health), you must notify the instructor in writing via email as soon as possible and request a makeup approval. If it is a planned (non-emergency) absence, you must inform the instructor ahead of time! Do NOT ask for make-ups if you do not complete something due to travel (except when you are required to travel to represent the university or department on official business, but request at least 3 days ahead of the due date or exam time).

**General Policies:**

---

2
- Students are responsible for checking Mavs email and course web site frequently for
course-related material and announcements. Students should register with an email address
that they will check frequently.
- The Instructors reserve the right to modify the grading policy, course calendar and all
other course policies. Make-ups for exams may be arranged if your absence is caused by
illness or emergency. In order to get acceptance for make-ups a written explanation along
with the supporting documents must be submitted to the Instructor.
- Late labs will not be accepted except with PRIOR approval of the Instructor (not just the
TA).
- Labs are supposed to be done in lab. You cannot do labs at home.
- All exams are closed book.

**Student Code Name and Email Account:**
Each student should send an email to the class GTA with the following information:

- The preferred email address for the student; the GTA or the Instructor will use this email
to notify students of relevant announcements and course information.
- A secret code name made of alphanumeric characters; the student will use this code to
access their grades.

**Grade Grievance Policy:**
Any appeal of a grade in this course must follow the procedures and deadlines for grade-
related grievances as published in the current undergraduate catalog (see [here](#)).

The first step is as follows. If you do not believe a grade on a particular assignment is
correct, you may appeal the grade in writing (by email) within 5 days. Grade appeals
must be appealed to the appropriate GTA first, then to the instructor if necessary.

**Drop Policy:**
Students may drop or swap (adding and dropping a class concurrently) classes through
self-service in MyMav from the beginning of the registration period through the late
registration period. After the late registration period, students must see their academic
advisor to drop a class or withdraw. Undeclared students must see an advisor in the
University Advising Center. Drops can continue through a point two-thirds of the way
through the term or session. It is the student's responsibility to officially withdraw if they
do not plan to attend after registering.
Students will not be automatically dropped for non-attendance. Repayment of certain
types of financial aid administered through the University may be required as the result of
dropping classes or withdrawing. For more information, contact the [Office of Financial
Aid and Scholarships](#).

**Americans with Disabilities Act:**
The University of Texas at Arlington is on record as being committed to both the spirit
and letter of all federal equal opportunity legislation, including the Americans with
Disabilities Act (ADA). All instructors at UT Arlington are required by law to provide
"reasonable accommodations" to students with disabilities, so as not to discriminate on
the basis of that disability. Any student requiring an accommodation for this course must
provide the instructor with official documentation in the form of a letter certified by the
staff in the Office for Students with Disabilities, University Hall 102. Only those students

3
who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found here or by calling the Office for Students with Dis. at (817) 272-3364.

**Title IX:**
The University of Texas at Arlington is committed to upholding U.S. Federal Law “Title IX” such that no member of the UT Arlington community shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity. For more information, visit [www.uta.edu/titleIX](http://www.uta.edu/titleIX).

**Academic Integrity:** At UT Arlington, academic dishonesty is completely unacceptable and will not be tolerated in any form, including (but not limited to) “cheating, plagiarism, collusion, the submission for credit of any work or materials that are attributable in whole or in part to another person, taking an examination for another person, any act designed to give unfair advantage to a student or the attempt to commit such acts” (UT System Regents’ Rule 50101, §2.2). Suspected violations of academic integrity standards will be referred to the Office of Student Conduct. Violators will be disciplined in accordance with University policy, which may result in the student’s suspension or expulsion from the University.

**Electronic Communication:**
UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. All students are assigned a MavMail account and are responsible for checking the inbox regularly. There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at [here](http://www.uta.edu).

**Student Feedback Survey:**
At the end of each term, students enrolled in classes categorized as lecture, seminar, or laboratory will be asked to complete an online Student Feedback Survey (SFS) about the course and how it was taught. Instructions on how to access the SFS system will be sent directly to students through MavMail approximately 10 days before the end of the term. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback data is required by state law; student participation in the SFS program is voluntary.

**Final Review Week:**
A period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this week unless specified in the class syllabus. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are
not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.

**Emergency Exit Procedures:**
Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist handicapped individuals.

**Student Support Services:**
UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at www.uta.edu/resources.

**Emergency Phone Numbers:**
In case of an on-campus emergency, call the UT Arlington Police Department at 817-272-3003 (non-campus phone), 2-3003 (campus phone). You may also dial 911.
