- ◆ **STUDENT LEARNING OUTCOMES.** By the end of each chapter you should be able to do the following:
Chapter 5: Discuss meals and food preferences; make negative statements using various forms of negation
Chapter 6: Describe clothing and accessories in detail; state opinions about fashion and appearance
Chapter 7: Discuss wishes, duties, and abilities; Describe past activities using the *passé composé*
Chapter 8: Identify the parts of the body; discuss daily routines using reflexive verbs, understand paragraphs written on familiar topics, understand simple sentences on familiar topics, and discuss various aspects of French culture.

In order to achieve these outcomes, students should expect to spend at least an additional **12** hours per week of their own time in course-related activities, including reading required materials, completing assignments, preparing for exams, etc.

- ◆ **CHAPTER EXAMS.** Each exam covers material presented in the chapter, as well as information covered in class. Documentation of an excused absence or prior approval of the instructor must be obtained in order to make up exams.
- ◆ **FINAL EXAM.** The final exam focuses on the last chapter of study but is also comprehensive in nature. If missed, documentation of an emergency or prior approval must be obtained in order to make up the exam.
- ◆ **QUIZZES.** Quizzes begin promptly at the beginning of the class and cannot be made up. It is therefore essential that you arrive in class on time. One (1) extra credit quiz opportunity will be offered towards the end of the semester to replace your lowest quiz grade. The signed Honor Code/Acknowledgement of Syllabus form counts as a quiz grade, as well.
- ◆ **HOMEWORK:** Online Centro workbook/lab manual assignments are due Fridays by the beginning of class. (See schedule at end of syllabus.) Assignments may not be submitted late except in certain extreme cases (e.g. extended hospital stays), as approved by the instructor. There will be one extra credit homework opportunity towards the end of the semester, which will be averaged in with your homework, but no grades will be dropped.
- ◆ **ESSAY:** You will write a 1st draft in class and will correct and upload the final draft to Blackboard (SafeAssign). Final drafts not uploaded on time are subject to a 20-point reduction. Documentation of an emergency or prior approval must be obtained in order to make up the in-class essay.
- ◆ **PARTICIPATION.** Each week, you will earn a Participation grade based on your preparedness for and participation in classroom activities. Students with excessive absences or who are frequently tardy, as well as those who do not participate in classroom activities or only do so when compelled to do so, will lose points as a result.

- ◆ **ATTENDANCE.** Numerous studies have showing that there is a significant positive correlation between class attendance and grades. Absence and tardiness result in missed instructional time, missed announcements, missed participation opportunities, and a low quiz average. You should therefore plan to attend class regularly and to arrive early. Students who miss class are responsible for checking the syllabus and confirming with classmates prior to contacting the instructor regarding missed announcements or material covered in class. Students who arrive late are responsible for reporting their presence to the instructor after class is dismissed.

At The University of Texas at Arlington, taking attendance is not required university-wide. Rather, each faculty member is free to develop his or her own methods of evaluating students' academic performance, which includes establishing course-specific policies on attendance. As the instructor of this section, I will be taking attendance in this class.

For purposes of makeup exams and essays, excused absences include a documented illness or death in the family, brief periods of military service, university authorized absences, and religious holy days. Absences for any other reason, including undocumented illness or the illness of a family member, may or may not entitle the student to make up missed exams or essays unless the student receives permission in advance from the instructor, who may take documentation and prior absentee record into account.

- ◆ **DROP POLICY.** Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student's responsibility to officially withdraw if they do not plan to attend after registering. Students will not be automatically dropped for non-attendance. Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships (<http://wweb.uta.edu/ao/fao/>).
- ◆ **ELECTRONIC COMMUNICATION.** UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. All students are assigned a MavMail account and are responsible for checking the inbox regularly. There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at <http://www.uta.edu/oit/cs/email/mavmail.php>. Email correspondence to your instructor must originate from your UTA email account and should include your full name, the class and section number you are enrolled in, and a polite greeting and farewell. If you need information pertaining to class assignments, grades, policies, or instructor office hours, please consult the class syllabus and Blackboard before emailing the instructor.
- ◆ **STUDENT SUPPORT SERVICES.** UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at <http://www.uta.edu/universitycollege/resources/index.php>
- ◆ **DISABILITY ACCOMMODATIONS.** UT Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including The Americans with Disabilities Act (ADA), The Americans with Disabilities Amendments Act (ADAAA), and Section 504 of the Rehabilitation Act. All instructors at UT Arlington are required by law to provide "reasonable accommodations" to students with disabilities, so as not to discriminate on the basis of disability. Students are responsible for providing the instructor with official notification in the form of a letter certified by the Office for Students with Disabilities (OSD). Students experiencing a range of conditions (Physical, Learning, Chronic Health, Mental Health, and Sensory) that may cause diminished academic performance or other barriers to learning may seek services and/or accommodations by contacting:

The Office for Students with Disabilities, (OSD) www.uta.edu/disability or calling 817-272-3364.
Counseling and Psychological Services, (CAPS) www.uta.edu/caps/ or calling 817-272-3671.

Only those students who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at www.uta.edu/disability or by calling the Office for Students with Disabilities at (817) 272-3364.

- ◆ **TITLE IX:** The University of Texas at Arlington does not discriminate on the basis of race, color, national origin, religion, age, gender, sexual orientation, disabilities, genetic information, and/or veteran status in its educational programs or activities it operates. For more information, visit uta.edu/eos. For information regarding Title IX, visit www.uta.edu/titleIX.
- ◆ **FINAL REVIEW WEEK.** A period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this week unless specified in the class syllabus. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.
- ◆ **EMERGENCY EXIT PROCEDURES:** Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit, which is located at the end of the corridor to the right. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will make arrangements to assist individuals with disabilities.
- ◆ **STUDENT FEEDBACK SURVEY.** At the end of each term, students enrolled in classes categorized as “lecture,” “seminar,” or “laboratory” shall be directed to complete an online Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student’s feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit <http://www.uta.edu/sfs>.
- ◆ **LANGUAGE LAB.** The Language Acquisition Center (LAC) on the 3rd floor of Trimble Hall offers audio, video, and computer access to UTA language students. Hours and holidays are posted at the LAC entrance. A student ID is required for DVD’s.
- ◆ **ACADEMIC INTEGRITY.** Students enrolled at UT Arlington are expected to adhere to the UT Arlington Honor Code. UT Arlington faculty members may employ the Honor Code as they see fit in their courses, including (but not limited to) having students acknowledge the honor code as part of an examination or requiring students to incorporate the honor code into any work submitted. Per UT System Regents’ Rule 50101, §2.2, suspected violations of university’s standards for academic integrity (including the Honor Code) will be referred to the Office of Student Conduct. Violators will be disciplined in accordance with University policy, which may result in the student’s suspension or expulsion from the University.

You may consult tutors, classmates, and others outside of class for assistance in preparing for exams, for general practice, and to help improve your fluency in French. However, with the exception of help from the student's instructor, outside assistance on graded assignments is not allowed and is considered cheating. Likewise, you can consult dictionaries and textbooks for grammatical rules, usage, and translation of individual words or short phrases, but the use of a **translation engine to translate phrases or sentences on graded assignments is forbidden and is considered a form of plagiarism.**

Acceptable resources for preparing and correcting all graded assignments include:

- Course textbooks and workbooks
- Dictionaries and grammar references
- Your French instructor or other UTA French instructors

Prohibited resources for preparing or correcting all graded assignments include:

- Tutors, friends, native speakers, upper-level students
- Computer-assisted translators and other translation programs and applications
- Unattributed quotes copied from websites, documents, or other sources

HONOR PLEDGE

I, _____, pledge, on my honor, to uphold UT Arlington's tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

I understand that submitting work that is not my own, whether it be an unattributed quote copied and pasted from a website, a phrase or sentence generated by a translation engine, or versions of my own work that have been "improved" by a tutor or native speaker, all count as plagiarism and will be treated as such, in accordance with UT-Arlington's policy on Academic Dishonesty. I understand that this policy extends to all graded work, including online workbook assignments and essays.
