## **COURSE DESCRIPTION:**

Advanced Typography builds on the fundamentals of type by utilizing type as an expressive, communicative, and aesthetic tool. Projects will investigate typography as a visual tool, designing typography for posters, information hierarchy in magazines, and utilizing typography as the main message. Emphasis is placed on the communicative ability of type through concept development, while encouraging experimentation to create your own typographic voice.

## **COURSE STRUCTURE:**

This class is a combination of lecture, critiques, in class work, and out of class work. The workload is meant to mimic the real-world professional environment. Additional hours will be needed outside of class to finish assignments.

At the completion of assigned projects a critique/class review will take place. Grades will be presented after each project. During the semester if you have any questions please contact me by e-mail, during class, office hours or by appointment.

## **ATTENDANCE POLICY:**

Absences over 3 will result in a reduction of your final grade by one letter grade. With each additional unexcused absence, the grade will drop an additional unit. A 15 minute absence during scheduled class time will be considered an absence. Absences on critique day or during final critique will be counted as two absences.

**LATE WORK:**

All work is to be turned on time. Consistent late work will only be accepted at the instructor's discretion. Work turned in tardy (one class period) will receive an automatic drop of a full letter grade on the project grade. All other late work (one week or longer) will not be accepted and will be recorded as a zero.

**EXPECTATIONS FOR OUT-OF-CLASS STUDY:**

Beyond the time required to attend each class meeting, students enrolled in this course should expect to spend additional time on their own every week to complete course-related assignments, including reading required materials, completing assignments, and preparing for the 4 main projects.

**FINAL GRADES: PROJECT PERCENTAGE**

Your final grade will be calculated as follows:

80% 4 Projects

20% In Class Participation

**PROJECT EVALUATION CRITERIA:**

The project grade will be based on the student's performance in the following areas:

A. Innovative Idea Development / Conceptual Skills / Design Skills

B. Rendering, Production And Technical Skills

C. Personal Commitment

D. Participation in class discussions

**GRADES:**

**A (*excellent*):** The quality is performed to a very high standard of proficiency.

**B (*good*):** The quality is performed to a high standard. The student has reached a level which clearly exceeds "competency".

**C (*average*):** The quality is clearly demonstrated without being exceptional in any way.

**D (*weak*):** The quality is demonstrated to a minimally acceptable level.

**F (*unacceptable*):** The quality is absent or performed to a very low level, or performance is seriously flawed.

Final grades are the total of all projects grades, attendance, and participation. Coming to class, and finishing the assignments does not guarantee a good grade — final projects/effort/class participation does. Your grades and comments will be given through blackboard. Please keep checking your blackboard to get up-to-date information.

After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student's responsibility to officially withdraw if they do not plan to attend after registering. Students will not be automatically dropped for non-attendance. Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student's feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington's effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit <http://www.uta.edu/sfs>.
