Course Description
INTS 2301 introduces Interdisciplinary Studies majors to the history of the field, core concepts in interdisciplinary studies, and integrative research practices.

The course helps students identify academic paths that meet their professional goals, and helps them construct intellectual narratives that connect their major to their career aspirations.

Additionally, students identify complex phenomena relevant to their academic and professional goals, and use an integrative interdisciplinary approach to describe and analyze them.

Learning Outcomes
✓ Define interdisciplinary studies
✓ Define interdisciplinary key words
✓ Explain history of interdisciplinary studies
✓ Identify career goals and connect to interdisciplinary studies major
✓ Describe integrative interdisciplinary research methods
✓ Produce an interdisciplinary research proposal
✓ Apply interdisciplinary methods to a description of a complex problem

Required Text
Grade Components

Homework, Classwork, and Reflection Paper Portfolio 30%
Students are required to purchase a folder for class. All homework and classwork must be saved and submitted at the end of the semester along with a final reflection paper. Students must be in class to receive credit for classwork. Individual assignments will be collected and evaluated (P=Pass or F=Fail) throughout the semester. Students will review their work at the end of the semester and produce a 3-page reflection paper explaining how their understandings of interdisciplinary studies and themselves as Interdisciplinarians have evolved throughout the semester. We will discuss the assignment at length in class and a rubric will be available on Blackboard.

Deliverables: 1) folder with collected classwork and 2) 3-page reflection paper.

Understanding Disciplines Worksheet and Presentation 20%
Students complete two Worksheets for Researching Disciplines (pp. 157-160) and create a 5-minute PowerPoint presentation sharing their findings with the class.

Deliverables: 1) Two Worksheets for Researching Disciplines and 2) 5-minute PowerPoint presentation.

Integrative Process Worksheet and Presentation 20%
Students complete the Integrative Process Worksheet (pp. 114-117) and create a 5-minute PowerPoint presentation sharing their findings with the class.

Deliverables: 1) Integrative Process Worksheet and 2) 5-minute PowerPoint presentation.

Intellectual Autobiography Narrative and Map Presentation 30%
Students create a textual and visual autobiography to identify experiences that have shaped their values and goals. Individual learning goals must be identified and related to an interdisciplinary academic plan as well as specific professional goals. Assignment overview on pp. 200-201. We will discuss the assignment in class and a detailed rubric will be available on Blackboard.

Class Policies

Late Work: For every 24 hours late, ten points will be deducted from the grade. After 4 days late, the assignment will NOT be accepted, and you will
receive a zero for the assignment. If you miss your presentation date you will receive a 0 for that portion of the project. Exceptions will only be made in the case of an emergency or an excused absence.

**Other University Policies**

**Drop Policy:** Students may drop or swap (adding and dropping a class concurrently) classes through self-service in MyMav from the beginning of the registration period through the late registration period. After the late registration period, students must see their academic advisor to drop a class or withdraw. Undeclared students must see an advisor in the University Advising Center. Drops can continue through a point two-thirds of the way through the term or session. It is the student's responsibility to officially withdraw if they do not plan to attend after registering. **Students will not be automatically dropped for non-attendance.** Repayment of certain types of financial aid administered through the University may be required as the result of dropping classes or withdrawing. For more information, contact the Office of Financial Aid and Scholarships (http://wweb.uta.edu/aao/fao/).

**Disability Accommodations:** UT Arlington is on record as being committed to both the spirit and letter of all federal equal opportunity legislation, including *The Americans with Disabilities Act (ADA), The Americans with Disabilities Amendments Act (ADAAA), and Section 504 of the Rehabilitation Act.* All instructors at UT Arlington are required by law to provide “reasonable accommodations” to students with disabilities, so as not to discriminate based on disability. Students are responsible for providing the instructor with official notification in the form of a letter certified by the **Office for Students with Disabilities (OSD).** Students experiencing a range of conditions (Physical, Learning, Chronic Health, Mental Health, and Sensory) that may cause diminished academic performance or other barriers to learning may seek services and/or accommodations by contacting:  
**The Office for Students with Disabilities, (OSD)**  www.uta.edu/disability or calling 817-272-3364.  
**Counseling and Psychological Services, (CAPS)**  www.uta.edu/caps/ or calling 817-272-3671.
Only those students who have officially documented a need for an accommodation will have their request honored. Information regarding diagnostic criteria and policies for obtaining disability-based academic accommodations can be found at [www.uta.edu/disability](http://www.uta.edu/disability) or by calling the Office for Students with Disabilities at (817) 272-3364.

**Title IX Policy:** The University of Texas at Arlington ("University") is committed to maintaining a learning and working environment that is free from discrimination based on sex in accordance with Title IX of the Higher Education Amendments of 1972 (Title IX), which prohibits discrimination on the basis of sex in educational programs or activities; Title VII of the Civil Rights Act of 1964 (Title VII), which prohibits sex discrimination in employment; and the Campus Sexual Violence Elimination Act (SaVE Act). Sexual misconduct is a form of sex discrimination and will not be tolerated. For information regarding Title IX, visit [www.uta.edu/titleIX](http://www.uta.edu/titleIX) or contact Ms. Jean Hood, Vice President and Title IX Coordinator at (817) 272-7091 or jmhood@uta.edu.

**Academic Integrity:** Students enrolled all UT Arlington courses are expected to adhere to the UT Arlington Honor Code:

> I pledge, on my honor, to uphold UT Arlington’s tradition of academic integrity, a tradition that values hard work and honest effort in the pursuit of academic excellence.

> I promise that I will submit only work that I personally create or contribute to group collaborations, and I will appropriately reference any work from other sources. I will follow the highest standards of integrity and uphold the spirit of the Honor Code.

UT Arlington faculty members may employ the Honor Code as they see fit in their courses, including (but not limited to) having students acknowledge the honor code as part of an examination or requiring students to incorporate the honor code into any work submitted. Per UT System Regents’ Rule 50101, §2.2, suspected violations of university’s standards for academic integrity (including the Honor Code) will be referred to the Office of Student Conduct. Violators will be disciplined in accordance with University policy, which may result in the student’s suspension or expulsion from the University.

**Electronic Communication:** UT Arlington has adopted MavMail as its official means to communicate with students about important deadlines and events, as well as to transact university-related business regarding financial aid, tuition, grades, graduation, etc. All students are assigned a MavMail account and are responsible for checking the inbox regularly. There is no additional charge to students for using this account, which remains active even after graduation. Information about activating and using MavMail is available at [http://www.uta.edu/oit/cs/email/mavmail.php](http://www.uta.edu/oit/cs/email/mavmail.php).

**Student Feedback Survey:** At the end of each term, students enrolled in classes categorized as "lecture," "seminar," or "laboratory" shall be directed to complete an online Student Feedback Survey (SFS). Instructions on how to access the SFS for this course will be sent directly to each student through MavMail approximately 10 days before the end of the term. Each student’s feedback enters the SFS database anonymously and is aggregated with that of other students enrolled in the course. UT Arlington’s effort to solicit, gather, tabulate, and publish student feedback is required by state law; students are strongly urged to participate. For more information, visit [http://www.uta.edu/sfs](http://www.uta.edu/sfs).

**Final Review Week:** A period of five class days prior to the first day of final examinations in the long sessions shall be designated as Final Review Week. The purpose of this week is to allow students sufficient time to prepare for final examinations. During this week, there shall be no scheduled activities such as required field trips or performances; and no instructor shall assign any themes, research problems or exercises of similar scope that have a completion date during or following this week unless specified in the class syllabus. During Final Review Week, an instructor shall not give any examinations constituting 10% or more of the final grade, except
makeup tests and laboratory examinations. In addition, no instructor shall give any portion of the final examination during Final Review Week. During this week, classes are held as scheduled. In addition, instructors are not required to limit content to topics that have been previously covered; they may introduce new concepts as appropriate.

**Emergency Exit Procedures:** Should we experience an emergency event that requires us to vacate the building, students should exit the room and move toward the nearest exit, which is located at the stairwell next to the elevators. When exiting the building during an emergency, one should never take an elevator but should use the stairwells. Faculty members and instructional staff will assist students in selecting the safest route for evacuation and will decide to assist individuals with disabilities.

**Student Support Services:** UT Arlington provides a variety of resources and programs designed to help students develop academic skills, deal with personal situations, and better understand concepts and information related to their courses. Resources include tutoring, major-based learning centers, developmental education, advising and mentoring, personal counseling, and federally funded programs. For individualized referrals, students may visit the reception desk at University College (Ransom Hall), call the Maverick Resource Hotline at 817-272-6107, send a message to resources@uta.edu, or view the information at http://www.uta.edu/universitycollege/resources/index.php

**Emergency Phone Numbers:** In case of an on-campus emergency, call the UT Arlington Police Department at 817-272-3003 (non-campus phone), 2-3003 (campus phone). You may also dial 911. Non-emergency number 817-272-3381
